Overview

SIGNIFICANT PRICE REDUCTION / MOTIVATED SELLER

Built in 2003 by Bob Sullivan, the Legacy embodies every aspect of the kind of custom Carolina boat that is so hard to find these days. From her classic lines and flare to the ride and fishability, she is truly a rare find in today's sportfish market. Repowered in 2014 with Caterpillar C-12s, she provides a comfortable 24 knot cruise while taking it easy on the life of the motors and the pocketbook. Her cockpit is huge and boasts a spacious and very crew friendly mezzanine. The interior layout is perfect for everyday fishing or for traveling and tournaments. Many upgrades were added by the current owners, including hard top, teak coverboards and coaming, hull paint, etc..... With plenty of storage throughout the boat, the necessary systems to make it comfortable and efficient, and a soft economical ride, the Legacy is the perfect fit for anyone looking for a solid turn key Carolina boat. Please call for more details...
