## Vessel Walk-through

---

Sleeps 6 in 3 staterooms. Crew accommodations in Aft utility room. Exterior features include a spacious aft deck and full walk-around side decks with 2 ft. bulwarks. Port and starboard curved stairways on aft deck lead down to a large swim platform and an water-tight entrance door in the center of the transom, which accesses the utility area, crew area and engine room. The curved stairway to flybridge is on the port side of the aft deck. The interior throughout the main deck, forward companionway and the master stateroom are finished in a high gloss cherry wood featuring burled counter tops. The forward VIP stateroom, guest stateroom and aft cabin areas are finished in high gloss Birdseye maple. Entering the salon from the aft deck through the opening stainless sliding door, the large side windows allow plenty of natural light inside and offer an exceptional view of the outer surroundings. Moving forward from the salon and up one step between the china cabinets with see through glass doors is the open spacious galley to starboard and a large dinette to port. Next forward to starboard is the side entry door followed by the lower helm with full electronics and instrumentation. The stairway to the forward port side of the lower helm leads down to the full-beam mid-ship master stateroom and a full beam head and shower compartment featuring separate bathrooms His & Hers bathrooms with a Bidet and walk through shower accessible from both sides. The VIP guest stateroom is forward. The aft guest stateroom, guest/day head, utility/laundry area and engine room are located below deck aft, and is accessed from the interior via a stairway on the port side aft in the main salon. This provides complete privacy for the owners and guests in the forward section.
