SPECIFICATIONS

Overview

Fresh to market please find Chasin Lures, a 2003 32 Luhrs with twin Yanmars. What makes this offering so rare is the extent of recent services to motors and electronics. In April of 2018 the 1000 service was performed by a factory authorized service group with open check expectations. Also in Spring of 18, new electronics, shaft seals, cosmetic upgrades as well as others were done with the expectation of long term ownership. Unfortunately due to changes in owner's plans cuts that expectation short and brings her fresh to market. So if you're in the market for a mid size express with massive upgrades pre-spent, here you go. Bring your offers now!
