SPECIFICATIONS

Overview

The 63' Bertram Convertible continues the legacy that Bertram owners have come to love with its solid comfortable head sea ride. The 63' does it at a 32 knot cruise and offers a generous and spacious overall layout. A massive Flybridge with more than ample seating and storage gives way to excellent view of the equally spacious Cockpit. A molded-in contoured stairway connects the Mezzanine to the Flybridge. The Salon, Galley and dinette arrangement is very accommodating and free flowing without a bad seat in the house. Three generous Staterooms and three Heads below make this vessel perfect for traveling blue water adventures. "Lumitec" has had numerous updates by her owner. The Hull was recently painted Fighting Lady Yellow and Custom White boot stripe. CALL TODAY!

Basic Information
