SPECIFICATIONS

Overview

This all-modern 366 Motoryacht built by Carver delivers bog on yacht spaces and finish work in an ideal size for todays active boating! SALDIA has been impeccably kept and shows just 210 hours on her twin Volvo mains. With performance speeds speeds of 21-25 Knots, you'll reach the islands before everyone else and be serving cocktails on the dock well before sundown, or you can slow down to trawler speeds and economy to check all the beautiful scenery. Reverse -cycle heat and air conditioning, genset, inverter, radar, GPS, entertainment electronics and more are all on board-truly a must-see to appreciate- come and take a look!!

This popular low hour boat is on the market due to the owners change of plans, please stop by our dock and check her out, you wont be disappointed!!

See her full specifications here, then call for additional details and an appointment to go aboard....

Manufacturer Provided Description

The Carver 36 Motor Yacht features contemporary motor yacht styling and Carver's advanced, raised walk-deck design that creates the roomiest cabin in this size range. The impressive cabin is warm and inviting, created by the appeal of the cherry wood cabinetry with high-gloss finish, contemporary colors and plush Ultraleather seating. Large windows and Carver's signature two-tiered window design provides light throughout the salon. Sleeping accommodations include two staterooms with a private head compartment in the master stateroom (aft). Families will enjoy the space and comfort designed into the 36's flybridge. There's a fully equipped control console and ample seating.

Deck and Hull

Decks are easy care fiberglass with non skid; safety rails; Radar Arch; International navigation lights; swim plate form with internal transom with stainless steel swim ladder;on deck shower;electric anchor windless cushions for the on deck seating; fenders& lines

Additional information

An enormous amount of great live able space aboard a just right size for sporty entertaining and weekend getaways! Beautiful cherry wood finish work and kept like new. you will also be able to look out the hatch in the master stateroom with a resting a resting Seagull's view of water rushing by at eye level . After a few moments, i found the view of the boats foaming wake therapeutic.

Engines & Mechanical

Volvo 310 hp. main engines are fresh water cooled with raycore fuel filters; control station at the command bridge; three bladed props; auto and manual bildge pumps; raw water sea strainers;hyd steering; manual fire control Kohlar 8 kw generator and sound shield.
