DETAILED INFORMATION

2001 Ocean Yachts 40 Convertible SS Overview

Ocean Yachts has never been shy over the years when it comes to introducing innovative design concepts in their Super Sport convertibles. In the 40 SS introduced in 1997, designer David Martin created yet another high-performance sport fisherman with a unique two-stateroom, galley-up interior that will almost certainly catch most observers by surprise.

Located forward in the salon, a step up from the floor is a four-person dinette—an unusual feature in a 40-foot convertible. Huge amidships stateroom beneath this dinette with its surprising 7-foot headroom. Like all Ocean Yachts, the teak interior is tastefully decorated and well finished throughout. On deck, the cockpit comes standard with a molded tackle center, saltwater wash down, and transom door. (Note the athwartships fly bridge ladder.)

Additional features include cockpit engine room access, an integral bow pulpit, and a well-arranged helm console. Built on a low-dead rise hull with moderate beam, twin 420hp Cat 3126 diesels cruise at 24 knots and reach a top speed of 30+ knots.
