## DETAILED INFORMATION

### 82' Monte Fino 82 Sky Lounge Motor Yacht WINKY ONE

---

82' Monte Fino 82 Sky Lounge Motor Yacht WINKY ONE Monte Fino began building the 82s in 1997. WINKY ONE is an example of one of their finest examples. Heavily built on a modified V hull, she offers large accommodations with her 20' beam; the shallow keel and prop pockets reduce shaft angles. The layout is accommodating for entertaining or privacy with excellent separation of the Master stateroom from the 2 guest staterooms and crew quarters. Feeling far larger than her 82 feet, WINKY ONE offers luxury, amenities, quality construction, redundancies, and presents in excellent condition. She is bargain priced so the owner can expedite his purchase of a larger yacht. **\*NOT FOR SALE TO US RESIDENTS WHILE IN US WATERS\***

### Walkthrough

---

Entry to the vessel is by boarding gates port and starboard, forward and aft, or from the cockpit onto the aft deck. The salon is entered through French glass and stainless weathertight doors. Forward of the salon is a day head to starboard. On the starboard side are stairs leading to the massive sky lounge. To port is the galley with stowage also in an area on the starboardside. Forward is a large dining table and upholstered seating. Forward and down a circular staircase is access to the crew quarters forward beginning with a large galley and eating area with 2 crew cabins forward each with upper lower single bunks. A large head is on the starboardside. Going aft down the companionway from the staircase is the VIP cabin on the port side and a large guest cabin to starboard, each with ensuite head. Further aft is the forward entrance to the engine room. Access to the master stateroom is at the starboard aft corner of the salon via a curved staircase. Aft of the foyer is the master or forward from the private companionway is another entrance to the engine room. High gloss cherry wood interior with burl wood accents. Teak and holly soles. Roman shades for most window coverings. Excellent lighting.

---

### Salon

---

Entry from the aft deck is through two weathertight glass doors. The quality and spaciousness becomes immediately apparent. The warm and rich feel of the excellent joinery in the cherrywood cabinetry is enhanced by the high ceilings with architectural nuances such as the ceiling coffers. The large windows provide for picturesque viewing. The port side has a c-shaped upholstered couch with comfortable seating for five. An end table with bar and storage for bar glasses separates the forward seating section

which is an upholstered couch with seating for four. A large cocktail table services both sitting areas. The starboard side has a facing couch that seats four. All couches have storage beneath the seating. Headroom in salon is 6'7".
