## Overview

---

Horizon Yachts and Cor D. Rover once again partnered on the design of the new FD125 superyacht. Similar in concept to the other models in the FD series, the FD125 features large windows in main deck and bridge deck, bringing abundant natural light to the interior spaces. The enhanced interior volume incorporates double salons, a spacious galley, on-deck full-beam deluxe master cabin, four en-suite staterooms on the lower level, plus accommodation for a crew of 8. The immense and multifunctional alfresco areas are ideal either for private family gathering or for parties with friends. The FD125 is a perfect combination of a true ocean-going yacht and a luxurious beach house for outdoor lovers who want to spend a luxurious and comfortable vacation with family and friends. The new Horizon FD125 Skyline superyacht is currently in her conceptual design stage, and more details will be available soon.
