# SPECIFICATIONS

---

## Basic Information

---

**Category:** Motor Yacht

**Model Year:** 2007

**Year Built:** 2007

**Country:** United States

**Fly Bridge:** Yes

## Dimensions

---

**LOA:** 96' 0" (29.26m)

**Beam:** 22' 0" (6.71m)

**Max Draft:** 5' 9" (1.75m)

## Speed, Capacities and Weight

---

**Cruise Speed:** 12 Kts. (14 MPH)

**Cruise Speed Range:** 1000

**Max Speed:** 24 Kts. (28 MPH)

**Water Capacity:** 600 Gallons

**Holding Tank:** 100 Gallons

**Fuel Capacity:** 3000 Gallons

## Accommodations

---

**Total Cabins:** 4

**Total Berths:** 6

**Sleeps:** 9

**Crew Sleeps:** 5

## Hull and Deck Information

---

**Hull Material:** Fiberglass

**Hull Designer:** J. B. Hargrave

**Exterior Designer:** J.B. hargrave

---

## Engine Information

---

**Engines:** 2

**Manufacturer:** Caterpillar

**Model:** C-32 ACerts

**Engine Type:** Inboard

**Fuel Type:** Diesel

---

## DETAILED INFORMATION

---

### Machinery

---

Engines: 2 x Caterpillar C-32 Acerts 1800hp, Includes  
wireless digital docking system

Engine hours: 2,920

Generators: Northern Lights 32kW w/soundshield (2)

Generator hours: 2910

### Steering & Propulsion

---

Steering: Hynautic, hydraulic, adaptable to auto-pilot

Propellers: 4-blade, bronze

Gearbox: ZF

### Auxiliary Equipment

---

Bow thruster: Hydraulic HPS-36hp

Water maker: 1200 GPD (rebuilt 2018)

Stabilizers: Naiad Model 302 w/9sq ft fins &  
MultiSea 2000 controller

Air-conditioning: 12 ton CruisAir chilled water system x 4 3-ton

---

## BTU

Waste water treatment: Tidalwave 50 gal

Oil Transfer Pump: Reverso, engines and generators

Fuel Transfer Pump: Oberdorfer

Toilet system: Headhunter

Water Heater: 2 x 30 gallon, new 2018  
Inline recirculation pump

Sump Pumps: Lovett

Pump out: Y-valve for dockside

Shaft logs & Rudders: Tide Seal, dripless – new bearings 2017

---

## Tankage

Fuel: 3000 gallons / 11,356.24 liters

Fresh water: 600 gallons / 2271.25 liters

Holding tank: 100 gallons / 378.54 liters

Black water: Tidal Wave system

---

## Electrical Equipment

---

Voltage:	110v, 60hZ system
AC/DC	Dolphin/Sentry light transformer 100amp x 3
	24V lights / 110v power receptacles (engine rm)
Lighting:	24V LED lighting in bilges
	2 x ACR RCL 100B 24v spotlight (hard top)
Inverter:	Xantrex 4000
Batteries:	8 x 200amp/hr for engine and ship power
	2 x 120amp/hr for generator
Battery Charger:	Dolphin (1) 80amp 24V, (1) 40amp 24V New
	1. 30amp 12V

## Navigation Equipment

---

Magnetic compass:	Simrad
Compass:	Danforth
Monitors:	(2) Big Bay 19" Marine monitors - replaced 2015
	(2) Furuno 15" LCD color display in FB
	(2) Speco LED 19" w/hdmi (2) - lower helm
Depth sounder:	Furuno 525ST-MSD 50/200khz, 600w
	Raymarine ST60 depth display (upper and lower helm x 4)

---

	Furuno BBFF1 w/fairing block 3D black box Processor
Autopilot:	Simrad AP25 (upper and lower helm)
	Primary - MFDBB w/DRSI2A radar 12kW 4' (lower helm)
Radar:	Secondary - Furuno 1953CBB 12kW 6' C-NT (upper helm) Furuno Navnet VX2 system
	Concord Glass Bridge PC (lower helm)
Electronic chart system:	W/new Trident Charts - wireless keyboard & mouse Nobeltec ZR901 (east coast/Caribbean)
	Primary: Navnet3DBB Processor
GPS/Plotter:	Furuno GP1900 CBB (upper helm) Furuno Network WAAS - (upper helm) Furuno GP37 DGPS+WAAS (lower helm)
Transponder:	Furuno AIS FA50 (2016)
Instrumentation system (wind speed & direction):	Raymarine ST60

---

## Communication & Satellite

---

2 x 17' Shakespeare 5018 VHF white, 2018

Antenna: 2 x Digital 8' band cell antennas (mast)  
XM Weather Worx

Navnet: Furuno BBFF1 (lower helm) w/fairing block  
3D black box processor

Fleet One: KVH Tracphone - New 2018

VHF: 2 x ICOM IC-M602

Mini M: Panasonic KXTA624 Phone system

VHF hand held radio: 2 x Standard Horizon HX500S

Computer: Concord Glass Bridge (lower helm)

Printer / fax / scanner: HP Envy Photo 6255

Hailing Horn: 2 x Speco

---

## Entertainment Equipment

---

TV/ DVD: Samsun Q LED 55" - (salon) new 2018

Samsung HD TV 32" (galley) new 2018

Samsung HD TV 42" (master) new 2018

Microwave: General Electric, white (crew)  
  
General Electric S/S, galley

Icemaker: U-Line (FB, salon)

Wine Cooler: 3 x SubZero 424 S/S (2 x galley, 1 x salon)

Marvel, s/s (FB)

Washer/Dryer combo: General Electric, WSM2700DWW, (foyer)

Washer/Dryer combo: Kenmore, FM30 (crew)

---

## Vessel Walkthrough

---

The interior of HUNTRESS at first glance has clean lines and a sleek finish, yet with every slight turn colors dance before your eyes. Huntress represents the next generation of Hargrave Yachts, which blend artistic license with ample design expertise. Her profile looks European with rounded windows, yet her interior is paired with subtle decorative items..... Island colors of purple, buttercup, coral and aqua are splashed throughout an otherwise neutral palette of cream with accents from the high gloss Sapelli wood details.

---

## Aft Deck

---

The aft deck is generously sized and centered on an oval table built to seat eight guests with the use of a bench seat and four armchairs. The oval table is comprised of a high-gloss finished teak, which is complimented by tan fabric on the bench seat. To port and just outside the large automatic sliding doors to the salon, is a service bar topped with a lovely neutral colored marble. To port is a large 42" flat screen TV mounted above the bar for additional entertainment. To starboard you will find a staircase that leads up to the oversized flybridge.

---

## Salon

---

The full beam is utilized in the gorgeous main salon, which is filled with clean lines, warm, vibrant colors and outstanding entertainment options. Natural light seeps in through large windows fitted with Roman shades in a soft butter cream color. To port a custom made Sapelli wood corner unit houses a large 55" flat screen TV and

entertainment system; and is accentuated by artistically grained Maitore wood panels a feature repeated throughout the vessel. The entertainment nook is complimented to port by an oversized L-shaped sofa comprised of off-white fabric and colorful throw pillows. This space is complete with a centered glass top coffee table, and an Electric recliner just opposite of the sofa. This yacht has an unmatched liveliness found throughout, or simply the many features that create a sense of fun and leisure, such as the Selvia marble topped bar lined with a trio of bar stools and fitted with all the proper accoutrements for throwing the best party on the dock. Forward of this entertainment space is a more formal dining area, which is distinguished by a centrally located large Sapelli and Maitore wood table of a fine high gloss finish, which is surrounded by 8 cream colored parson chairs. The dining is further set apart by a stunning Tiffany like light fixture set nicely above the dining table. China and other dining items are stored in china cabinets disguised as granite display counters both to port and starboard. Access to the galley is forward from the dining room, while owner and guest accommodation are reached via a downward winding staircase to the left of this space.

---

## Galley

---

From the dining room you are beckoned forward down a long corridor passing access to the raised pilothouse as well as the finely appointed day head; ending in the luminous galley both in design and function. A forward seating area creates a social space where up to five guests can relax over breakfast, watch the master chef at work, or even steal a midnight snack from the stainless steel GE Monogram refrigerator/freezer. The finest equipment available is found in this space, including Subzero Refrigerator and freezer drawers, Kitchen Aid S/S Cook top w/GE Profile S/S Oven, a GE Profile S/S Microwave and a 48 bottles sub-zero wine cooler. Other features include granite counters over white lacquer cabinets, undercabinet lights and a large 32" flat screen TV. Whether spending casual time with family and friends or hosting a formal event, this galley is versatile and well equipped to suit any occasion. Forward and to starboard you will find a staircase that leads to a private VIP stateroom.

---

## Pilothouse

---

This space is simple and sophisticated. The sole is comprised of Lonseal teak and holly and the cabinetry is constructed from satin Sapelli wood with Maitore wood details. The electronics console is impressively designed with 4 large monitors and easy accessible controls and gauges. The layout offers good visibility forward and to port and starboard, and even leaves room for a viewing settee and table. A separate chart table is to starboard and next to the staircase that leads up to the flybridge where you will spend most of your time.

---

## Fly Bridge

---

The flybridge is the culmination of all entertainment options on this yacht and is one of the most thoughtfully designed decks in the Hargrave fleet. Guests can literally stay on the flybridge deck all day with all the comforts of home including a large shaded area thanks to the custom fiberglass hardtop with curvaceous openings to view passing landscapes. One of the most unique aspects of this space is the custom built day head, which is hidden within a private fiberglass structure to starboard and just beyond the large I-shaped bench seating. It is built into the seating area so as not to disrupt the normal flow of traffic in this space or cause partygoers to be crowded to one side. Guests will never have to leave the party or step away from the splendors of this great outdoor space. Brilliant Sunbrella tan color fabric covers all the settees. These lively accents bring the otherwise clean palette to life. Two large settees, one forward and the other aft are offset by a curvaceous wet bar and encircled by four bar stools for extra seating. The forward area is complete with a helm to port with a bench seat positioned just aft of it, as well as an identical viewing settee to starboard. On the back of the portside settee resides two fridges, ice machine, a 48-bottle sub-zero wine cooler, 32" Fire Magic gas grill paired with a Delonghi double gas burners. Guests will never want to leave this space, and truly never have to. This flybridge deck has room aft for a 18' Novurania tender, utilizing a Quicklift 2000lb davit for launch and recovery.

---

## Master Stateroom

---

Architectural design details such as the high gloss Sapelli wood strips between upholstered panels are mirrored throughout the space. Shoji screens in a rectangular pattern coordinate with the wall panels, dresser drawers and even the centrally located king size bed. The gorgeous bed is framed with a mirror and Sapelli headboard that extends to the ceiling. Cream colors abound, including on the bed linens and plush carpeting. Gloss Maitore and burl wood accentuate the surplus of display and storage cabinetry throughout. You will enjoy the use of two walk-in closets on either side of the room, as well as other creature comforts such as a refrigerator concealed behind a wood panel, a Samsung 42" HD TV mounted on the aft bulkhead, and other entertainment options like a Sonance Symphony sound system and a Marantz home theater system. Another fine appointment of the master suite is the his-and-her head with entrances both to port and starboard and just beyond the king bed. Emperadora Light and Dark marble encapsulates the space and creates an element of pure luxury. A walkthrough shower includes custom designed marble topped shelves and a seamless glass enclosure. Double sinks, heads, counters, and storage offer enough space for you and your spouse to prepare for the day at ease. The use of Sapelli wood is continued in this space and works nicely with the rich marble tone.

---

## VIP Stateroom 1

---

Located off the main foyer and to starboard is the VIP Stateroom. This suite is truly outstanding and rivals many master suites. Yellow, pale green and coral make up the color scheme of the space and speak to the Caribbean vibe of this yacht yet is not overpowering. The queen berth is smartly fitted with a simple bedspread and situated beneath the portholes, which are concealed at your discretion by bright yellow colored Roman Shades. Completing this area is a pair of marble topped nightstands with elegant table lamps on either side. To the right of the bed is a 6 drawer Sapelli wood dresser, above which is a large mirror that reflects light and seems to extend the space. A large hanging closet, Sharp 20" LCD TV and an en-suite head offer additional amenities. The head is complete with full shower, Selvia Onyx marble vanity and every luxury one can dream up.

---

## VIP Stateroom 2

---

The forward stateroom is considered a second VIP stateroom. This suite is especially desirable as it is located forward from the galley and down a private staircase that services only this space. Ultimate privacy can be found in this VIP, which includes a large queen bed with a lovely lavender bedspread with yellow accent pillows. Satin Sapelli finished wood makes up the main walls and cabinetry and draws the eye outward, as does the large wall mirror. Plenty of storage is found in clever drawers and cabinets, as well as a hanging closet to port. This stateroom also features a Sharp 32" hd/dvd combo TV and an en-suite head.

---

## Twin Guest Stateroom

---

The portside twin bed stateroom is bright, airy and extremely livable. Twin beds are separated by a single nightstand, which can be removed in order for the beds to slide together and transform into a double berth. Rich coral tones stand out against the Sapelli wood, lighter fabric bedspreads, and the cream-colored wall upholstery. A large mirrored backdrop reflects light and elongates the visual space. Hanging closets and under-bed drawers conceal personal effects, and a Sharp 20" LCD TV provides entertainment. The twin stateroom also offers a private en-suite head with full shower, marble counters and other luxury appointments. There is a pull-man for an additional guest.

---

## Crew

---

The crew quarters are located aft and accessed from the swim platform. Two private staterooms, including a captain's stateroom with a double berth accommodate four to five crew members. This is the ideal location for the crew as it offers some separation between crew and the owner's so everyone has some privacy and downtime. The crew

also has direct access to the engine room forward of their sleeping quarters.

## Exterior Equipment

---

Sink: Custom sink, aft deck

Wet Bar: Custom wet bar with 4 stools, FB

Table: Hi-Lo table with folding ends, FB

Day Head: FB

Stanchions: C5 x U-Shaped, Cockpit
