SPECIFICATIONS

Overview

Wayne's World is a fine example of a modern, great riding wood cold molded jig-built Carolina sportfish. This 57 was designed as a tournament boat and will compete against the best. Dean Johnson bottoms are well known to be dry riding with a soft entry providing a stable, enjoyable ride. This well thought-out vessel is easy to maintain and powered by dependable Caterpillar C-18 engines, which are long lasting and economical to own. The spacious cabin area has two comfortable staterooms with two full heads. The interior is appointed with rich teak and cherry veneers with beautiful raised panel cabinets and accents throughout. The companionway has a tackle center with storage and built-in travel freezer.

2014 Updates at Bayliss:
