# ПОДРОБНОЕ ОПИСАНИЕ

## Features

The Michael Peters hull design of the 44 evolved from the success of the 40 Cabo. The ride on the 44 Cabo is soft and dry. She carries a wide beam 16'6", shallow draft 3'7", has a sharp entry and large bow flare. All this translates into an uncompromising ride. BRENNAN'S GRIN is a meticulously maintained vessel with a full time captain.

Below please find a list of vessel highlights, options, and custom features that make BRENNAN'S GRIN such a great opportunity.
