**LWL:** 36' 3" (11.05m)

**Beam:** 13' 10" (4.22m)

**Min Draft:** 5' 11" (1.80m)

**Max Draft:** 9' 6" (2.90m)

### Speed, Capacities and Weight

---

**Displacement:** 34100 Pounds

### Accommodations

---

**Total Cabins:** 1

### Hull and Deck Information

---

**Hull Material:** Fiberglass

---

## Engine Information

---

**Engines:** 1

**Manufacturer:** Yanmar

**Model:** 4JH4AE

**Engine Type:** Inboard

**Fuel Type:** Diesel

---

# DETAILED INFORMATION

---

## Accommodations

---

The aft cabin has large quarter berths on either side, a companionway leading directly into the cockpit, an en suite head and copious amounts of storage in lockers, drawers and shelves. Forward through a door to port is the galley with holding plate refrigeration, 3 burner electric stove with oven, double stainless sink on the center line and several large lockers. The main companionway is at the forward end of the galley and the large navigation area is on the starboard side with a comfortable seat with support on both sides and a large chart table.

The main salon has upper and lower berths on either side and a drop leaf table in between. There are also custom designed second lower berths that set up between the cabin table and the settees to accommodate large off-shore crews.

The second head is forward to port with hanging lockers opposite. The forepeak is next with Nautor wooden berths that fold down over the sail lockers to make a cozy second private cabin.

## Galley

---

3 Burner electric stove with oven

Microwave

Holding plate refrigeration

Pressure water

Instant electric Hot water heater (2)

Double stainless sink on center line

Dinnerware drain/storage locker over sink

Copious food stowage outboard
