Overview

Another \$50K Reduction: Cleanest and best deal on a late model Sportfish. Great Opportunity!

"Elizabeth Anne II" Riviera 50 Enclosed Bridge 2015 is a great family boat that is perfect for anyone wanting a comfortable cruiser for both entertaining guests and catching fish. Her single owner built the boat new, transported to US, and paid import taxes: she is US flagged and FL registered.

She has a top speed of 28kts and cruise of 24kts. If you're looking to do economical cruising, you can run 20kts and burns around 50gph --- under 500 gal fuel consumption to get from Miami to Nassau, Bahamas.

Transferrable hull warranty and extended Volvo engine warranty are valid through 2019. Condition is impressive --- this boat will not disappoint.

Key Features Include:

- Volvo IPS 950s 725HP (biggest engines available) with 250hrs and extended warranty through 2019
- Three Volvo Joystick Docking Stations (cockpit, helm, flybridge aft)
- Upgraded DPS (Dynamic Positioning System) - Virtual Anchor
- Retractable Flybridge Sunroof
- Flybridge: 2X 16,000BTU Air Conditioners
- 11' Zodiac 2013 w/ 25HP Yamaha and 1,000lb Davit
- Intellian SAT TV
- Full Teak Cockpit
- Mezzanine Seating with Deep Freezer
- Swim Platform with UW lights and two transom doors

She is ready for survey and easy to see located just off Las Olas Blvd in Ft. Lauderdale, FL.

Call or text the listing agent anytime to get onboard or present an offer.

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

OVERVIEW

"Elizabeth Anne II" was built to be the perfect family boat that complements both cruising and fishing trips. Designed primarily as a cruising yacht that maximizes the use of interior space, her Volvo IPS 950 pod drives enabled the engine room to be moved aft to increase the longitudinal accommodations space by 5'6" (1.7 m). This allowed there to be three large staterooms and two heads. Considering, the aft cabins still have great headroom (you can walk standing up inside them).

Her semi-enclosed flying bridge is air-conditioned and gets the helm out of the salon, protects the captain in inclement weather, and creates a great entertainment area. With sliding windows, a retractable sunroof, and removable enclosure aft, this area can also feel like an open flybridge when you want to enjoy good weather and feel outside.

The secondary mission of this 50 Enclosed Flybridge sportfish is to maximize offshore fishability. Her features include mezzanine seating, transom console, 16'5" (5 m) beam, storage on port and starboard side, two transom doors, and pod drives that can easily spin the stern around on a dime. She also has an aquarium-style live well tank with led blue lights for live bait, fish box located on her port side with macerator pump, and also twin KENYON electric grills with a separate isolator switch for safety. All this goes to make this vessel a powerful bluewater sportfish.

Transom/Cockpit

- blue underwater lights
- large swim platform with SS safety rails and swim ladder
- port & starboard swing-out transom doors
- full teak cockpit
- transom station with twin Kenyon grills, aquarium live well, and storage
- cockpit Sunshade
- Cockpit IPS Joystick Docking Station
- Mezzanine Seating to Port (additional storage and deep freezer behind)
- Wetbar and Ice Maker to Starboard
- Bose Speakers by cockpit deck (port and starboard side)
- Cockpit Camera
- New Fusion 750 Radio with usb port / ipod port and fwd / rear zone
- gunwhale storage
- in-sole access to IPS pod drives
- in-sole large storage
- in-sole fishbox

Galley Aft

The salon is accessed through a full-length sliding glass door with polished stainless steel frame. To port a galley is located between the cockpit, and a forward dinette, which minimizes the need for roaming to keep everyone onboard fed and happy. Additionally, the galley is also just opposite of the stairs to the flying bridge which means prepared food can easily be passed skyward. The aft window can also be opened which brings fresh air to the galley

- Riviera Soft Package (includes silverware and high/low ball glasses)
- Overhead hand-hold stainless steel bar
- MIELE microwave/ oven Dishwasher
- 2 x Vitrifrigo Freezers
- 3 x Vitrifrigo Refrigerators
- Overhead storage compartments
- Kenyon Cooktop with Dometic Extractor / fan above
- Original Riviera China ware and silverware package ordered from factory
- Sink with SS basin

Salon/Dinette

A lot of room is provided at the C-shaped dinette by offsetting the companionway to the lower decks. Even with the weight of the flying bridge, Riviera was able to go with narrow window mullions to maximize the visibility through multiple windows.

- Overhead Stainless steel grab rails
- Bose surround sound system
- Samsung tv installed on an electric lift-up compartment.
- stbd sofa can double as a tea-for-two café table which allows for eight to be seated for dinner at the same time
- large atrium glass windshield
- sliding glass windows to port and stbd

Semi-Enclosed Bridge

The air-conditioned flying bridge is well designed to be a popular gathering spot. Three sides are fully enclosed, but the it can have a very open feel when opening the port/stbd sliding windows and eisenglass enclosure aft, as well as the retractable sunroof. The flybridge is accessed from an internal staircase for all-weather comfort, which is also diagonal. This makes it much easier to scale when compared to the nearly vertical ladders typically found in other sportfishers.

- L-Shaped lounge aft with table and drink holders

- large flat screen TV
- Volvo IPS Joystick Docking Station overlooking the Cockpit
- Wetbar located just behind helm seats with refrigerator beneath
- Retractable power sunroof

Helm Station (forward to port)

- 2x Pompanette Helm Chairs (white leather Pompanette chairs with stainless steel polished / adjustable pedestals)
- 2x Garmin 5212 Displays with display for Engine Room Camera, Cockpit Camera, and DirectTV
- Garmin xHD Radar
- Garmin 100i VHF radio with two VHF Antennas
- Intellian Sat Tv System
- New Fusion 750 Radio with usb port / ipod port and fwd / rear zone (Upgrade)
- Search Light on hard top
- Volvo IPS Joystick Docking System and Penta Autopilot
- Two windshield wipers with fresh water windshield wash switch
- Electric Horn
- C-Zone Controls
- Speakers

"Elizabeth Anne II" also has DPS (Dynamic Position System), which allows you to stop and hold a GPS position while setting up lines on deck prior docking, waiting for a bridge to open or anything else you need to do on deck without worry about drifting due current or wind, this system is an expensive upgrade.

STATEROOMS

VIP Stateroom (fwd)

- Queen Size Bed with storage underneath
- Samsung Tv and DVD player with DirecTV pre-wired
- 4 x storage drawers Port and Starboard Ocean view (windows have roller blinds)
- two overhead hatches with sliding screen and black out sliding blind
