

Y KNOT — NEPTUNUS

Судостроитель: NEPTUNUS

Год постройки: 1998

Модель: Моторная яхта

Цена: ЦЕНА ЯХТЫ ПО ЗАПРОСУ

Местонахождение: United States

Длина общая: 60' 2" (18.34m)

Ширина: 16' 8" (5.08m)

Мин. осадка: 4' 4" (1.32m)

Макс. осадка: 4' 6" (1.37m)

Крейс. скорость: 22 Kts. (25 MPH)

Макс. скорость: 27 Kts. (31 MPH)

Купить **Y KNOT — NEPTUNUS** а также выбрать подходящую вам яхту из нашего **каталога яхт** вам поможет опытный яхтенный брокер Андрей Шестаков. На сегодняшний день компания **Shestakov Yacht Sales Inc.** имеет большое количество яхт в **собственном списке продаж**, а также тесно сотрудничает со всеми крупными **яхтенными производителями** по всему миру.

Для того чтобы купить яхту **Y KNOT — NEPTUNUS** а также проконсультироваться по любому вопросу связанному с покупкой, продажей, чартером яхт позвоните по телефону **+7(918)465-66-44**.

ПОДРОБНОЕ ОПИСАНИЕ

Walkthrough

Y KNOT offers a Sedan style layout with three Staterooms, two Heads, a lower Helm Station, on deck Galley and a Salon Dining Area with a folding circular table.

The interior has a perfect blend of high gloss natural cherry joinery, padded light tan Ultra Leather panels and leather seating surfaces.

Entering Y KNOT is onto the fixed swim platform from a floating dock or at any of four locations the Marquipt Tide Ride ladder can be placed from a fixed dock. The Aft Deck has built in seating, two loose Resin chairs and a high gloss wood table plus comfortable steps to the Flybridge.

The same level Salon has a semi circular settee to port with a high/low folding circular dining table and two upholstered stools. To starboard is the entertainment system cabinet, a bar area with hidden sink and a single leather built in chair.

The complete Galley is two steps up to port with a full Lower Station and small dinette to starboard. Steps to below lead to the three cabins with the Master forward including a Jacuzzi tub! To starboard is a VIP with a walk around queen berth. To port is a Head with stall shower shared by two Guest Cabins. Further aft to port is a twin Lower Berth Cabin.

The Flybridge has a semi circular lounge aft with a hi-lo table that converts to a Sun Lounge, a bar unit with grill and seat next forward.

Centerline is the Helm Station.

Salon

The Salon is entered via a "Trend" stainless steel sliding door with lined drapes and a sliding insect screen. The entire deck is open with two levels of accommodation.

Immediately to port is a semi circular leather settee for three to four people with storage below. In the aft corner is a cherry cabinet outfitted as a mirrored wine cabinet. Outboard of the sofa in the Ultra Leather wall panels is a cherry framed side cabin window, which slides open as desired. (Rare in today's boats!) Roman shades cover the window as needed.

In front of the sofa is a circular high gloss cherry table that uniquely folds in half to take less space. Having a hi-low mechanism this table can be cocktail height or raised and utilizing the two matching stools can serve as a dining table for six people.

Immediately to starboard upon entering the Salon is a curved cabinet that contains the yacht's entertainment electronics. Below two curved cherry cabinets is a 30" Samsung LED TV with a Direct TV HD receiver and a Sat TV antenna control unit.

Behind two cherry doors below is a TV/ANT/DVD 16 position signal distribution box and a Sony Blue Ray player. Below is a new Rockford Fosgate AM/FM/stereo with Sirius Radio. The contents of the cabinet slides out for easy service and wiring changes.

Next forward is a bar cabinet with a hinged mirrored bar top with two cabinets below, a hinged cabinet with a sink and drawer below, all under a burlwood countertop surface. Next forward is a round built in single seat followed by a cherry cabinet with a Raritan stainless steel icemaker within. Above is a matching house side window and window treatments to the portside.

Also in the Salon is a carpeted sole, stereo speakers, two sub-woofers and digital Marine Air AC controls.

Five halogen mini spots and rope lights behind the valance provide lighting. The upper level soffit delivers cool air in an even flow throughout the Salon.

Galley Area

Up two steps, slightly to starboard is the Galley Area. It is L shaped and contains the following features:

12" Marble tile sole Sub Zero below counter refrigerator w/cherry door that opens w/fridge door Sub Zero below counter refrigerator w/small freezer section & cherry door that opens w/fridge door Corian countertops Unique Franke 3 basin stainless steel corner sink Removable spray faucet Panasonic built in microwave Built in B & D coffeemaker Miele Ceran top four burner cooktop Galley exhaust fan (8) Cherry drawers (6) Cherry cabinets (4) Overhead halogen lights Opening side window Upholstered valance boards

To starboard is a small two person dinette with storage drawer and central vacuum outlet. Presently used as an office space there is a 19" color HP monitor and wireless keyboard. An opening window is above.

Lower Station

Forward of the small dinette is the full Lower Station with excellent visibility. A two person leather helm seat sits upon a cherry cabinet. Instruments arranged on the cherry dash include:

Garmin GPS Map 5212 GPS/plotter/sounder/radar Garmin Data screen for depth &

speed Garmin VHF 100 w/DSC Simrad AP 24 autopilot Ritchie 5" magnetic compass Vetus bow thruster control Vetus stern thruster control CAT analog/digital engine monitors Microcommander electronic engine controls Start/stop controls 3 Station high water alarm panel CAT engine synchronizers CAT low idle control 12" Color monitor for I Nav navigation system Fireboy engine shut down override control Wiper control Goose neck chart light HP Pavilion computer Epson XP-430 printer

Companionway

Six carpeted steps slightly to port, lead to the three cabins below. All the way forward is the Master Cabin.

To port behind two cherry doors is the Whirlpool stacked washer dryer units and an adjacent linen locker. Aft is the Twin Berth Cabin. Forward is the Guest Head.

Aft to starboard is the VIP Cabin.

Master Cabin

All the way forward is the Master Cabin with an island center berth with two cherry drawers below. An upholstered headboard is affixed to a mirrored panel with soffit type AC delivery above. Twin brass reading lamps are affixed to cherry panels port and starboard. Continuing aft to port and starboard are six (each side) cherry cabinets. Below to port and starboard are two opening portholes covered by Roman shades. Below are high gloss cherry countertops to serve as nightstands. Aft on both sides are cedar lined auto lit hanging lockers. To port is a full size dressing mirror. To starboard is a small vanity with a mirror and a 19" Dynex LED TV with a Direct TV HD receiver and a Sony Blue Ray player above.

Next outboard is the arched cherry entry door to the ensuite Head with Jacuzzi tub.

Also in the Master Cabin is an opening deck hatch with sliding screen and shade, six overhead halogen lights, digital AC controls and a new custom memory foam mattress.

Master Head

Almost unheard of in a Sedan Cruiser of this size, Y KNOT has a full size Jacuzzi tub/shower.

The sole of the Head is marble tile. The vanity has one storage cabinet below the Corian countertop with under mount sink. Above the counter is an opening porthole behind an accordion shade. Above are four mirrored medicine cabinet doors.

The toilet is a Vacuflush model. The Jacuzzi tub/shower has a sliding door entrance, overhead light, mounted shower and an exhaust fan.

Also in the Head is an AC vent, two overhead lights and indirect valance lighting.

VIP Cabin

The VIP Cabin could be considered a Master Cabin on many yachts of this size. The walk around queen size berth is off the aft bulkhead with twin two drawer nightstands. There are two drawers at the base of the berth and an upholstered headboard affixed to a full beam mirrored panel on the aft bulkhead. Above are eight high gloss cherry cabinet doors.

Outboard above the cherry paneled hull sides is a narrow shelf with two opening portholes behind Roman shades.

Above are six additional cherry cabinet doors. Just forward is an auto lit, cedar lined hanging locker.

Inboard is a small vanity with a Dynex 19" LED TV, Sony Blue Ray player and a Direct TV HD Sat receiver.

Also in this cabin, is a carpeted sole, digital AC controls, rope lighting at valance and under the berth, four overhead halogen mini spots and a full length dressing mirror.

Port Guest Head

The Port Guest Head is shared by both Guest Cabins and has one entrance from the Centerline Companionway.

The vanity has one cabinet door below the Corian countertop with under mount sink. Above is an opening porthole with a shade and four mirrored medicine cabinets.

The toilet is a Vacuflush model. The shower has a curved sliding door, overhead light, mounted shower head and an exhaust fan.

Also in the Head are two overhead lights and an AC vent.

Port Guest Cabin

The Port Guest Cabin is entered via the arched cherry door at the front of the Cabin. Off the aft bulkhead are twin single berths with upholstered headboards and a two drawer cherry nightstand between. Access to the main wiring chase is behind two

upholstered doors.

Outboard of the outboard berth is a cherry paneled hull liner with two opening portholes above behind Roman shades.

At the foot of the berth is a cedar lined auto lit hanging locker.

Also in the Cabin is a carpeted sole, five overhead halogen lights and digital AC controls.

Foredeck

Fiberglass nonskid deck Fiberglass bow pulpit w/anchor roller & stainless steel anchor chute Ultra 77 anchor w/approx. 250' chain Vetus anchor windlass w/capstan & wildcat Welded stainless steel bow rails Bow flagstaff holder Deck hatch into anchor locker/storage Deck hatch into Master Cabin Bow Sun Lounge cushions w/cover Textulene privacy cover for forward windshield Sliding rail breaks midship port & starboard Marquipt attachment points midship port & starboard Dual spring line cleats (3) Port & (3) starboard courtesy lights International Navigation lights Dual trumpet horn port Single windshield wiper

Remarks

Y KNOT is a rare find. Three nice cabins, Jacuzzi tub in the Master, lower controls, high
gloss cherry joinery, newer Williams jet tender on Freedom lift, newer electronics and a
great looking hardtop/arch (unlike many of her sisterships). Optionally available is a 20'
center console tender to complete the island cruising package.

Exclusions

While every effort was made to list all pertinent included equipment aboard Y KNOT,
there are some personal belongings aboard. Prospective purchasers should assume
any item not specifically mentioned herein will not convey at closing.

Disclaimer

Specifications are provided for informational purposes only. Data was obtained from sources believed reliable but is not guaranteed by owner or brokers. Buyer assumes responsibility to verify all speeds, capacities, consumption's and other measurements contained herein and otherwise provided and agrees to instruct his agents to confirm such details prior to purchase. Vessel is subject to prior sale, price and inventory changes and withdrawal from market without notice.

Исключения

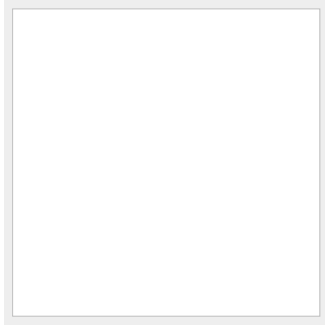

При продаже яхты исключаются личные вещи владельца.

Отказ от ответственности

Компания предоставляет описание судна или яхты добросовестно, но не может гарантировать точность этой информации, а также не ручается за техническое состояние. Покупатель должен проинструктировать своих агентов или оценщиков исследовать представленную информацию более подробно, по собственному желанию. Продажа судна или яхты, изменение цены или снятие с продажи будет происходить без предварительного уведомления.
