SPECIFICATIONS

Overview

This Prestige 500 Flybridge is the creme de la crème of the highly sought after, but seldom found, 2017 pre-owned Prestige Yachts line. She is turn-key with all the systems "broken in" and ready to go. Beautiful, spacious, fast and loaded with options. Call to make an appointment to see this lovely yacht.

Designed by renowned Italian naval designers Vittorio and Camilo Garroni, the Prestige 500 Flybridge features a large private master stateroom and head aft. The VIP stateroom and guest cabin are forward. A private crew cabin is located aft of the cockpit well outside of the interior owner/guest areas. This layout provides the privacy sought after by many yacht owners when captain, crew or extra guests are aboard. Note: The crew cabin can also serve as an air conditioned storage room when not in use by crew.

The open, bright and airy salon features close to 360 degree views, sprawling entertaining and relaxing spaces. This bright, open and airy interior concept is one of the primary reasons why many knowledgeable yacht buyers choose Prestige over the competition.

Smooth and seamless flow from the galley to the cockpit dining area via sliding doors that open from either side is a hallmark of this latest Prestige model.

The stunning and spacious bridge is larger than comparable yachts and features a Bimini top, cooler, electric grill and plenty of seating, sunning space for friends and family.

The forward deck has a large sunpad with adjustable sun shade for relaxing, sunbathing or simply reading a good book as your captain sets a course to your favorite island paradise.
