SPECIFICATIONS

Overview

Pursuit's Center Console is a dedicated fishing machine, quality construction, first-rate components, and superior open water performance made this a popular boat. Like most Pursuits, she rides on a deep-V hull with a wide beam, sharp entry and reverse outer chines to keep spray down.

The layout is key- big enough for 4 anglers and their gear - includes a full rigging station at the transom with a circulating live- well, sink, and bait storage compartment. The helm is large enough for flush mounting electronics and the leaning post doubles as a tackle center. Forward of helm is a seat with a cushioned backrest and built-in cooler. Note that a standup head compartment is located within the console.

Additional features include molded bow pulpit, raw-water washdown and plenty of rod storage. With 234 gallons of fuel you have more range than most boats her size.

Basic Information

Category: Center Console

Model Year: 1992

Year Built: 1992

Country: United States

Dimensions

LOA: 26' 0" (7.92m)

Max Draft: 1' 5" (0.43m)

Speed, Capacities and Weight

Water Capacity: 20 Gallons

Holding Tank: 224 Gallons

Fuel Capacity: 234 Gallons
