## Remarks

---

Near the end of the production run of this popular model, I LOVE FUN benefits from nearly every improvement offered. She has the preferred sleeping arrangement (with no bunk beds). The Galley is one of the nicest offered and includes an ample Dining area. One look at her sisterships will convince you the Salon is the most open and accommodation layout offered. The Bridge too, has improvements over older models (note Helm photos). Priced like her sisterships but it will be hard to find a nicer example of a 55' Neptunus. New décor, new electronics, both navigation and entertainment, TNT lift, new Flyrbridge enclosure, etc, etc.

---

## Exclusions

---

While every effort was made to list all pertinent included equipment aboard I LOVE FUN, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing.

## Exclusions

---

Owner's personal belongings.
