SPECIFICATIONS

Overview

The Bertram 61 combines durability and luxury, unlike any other boat in its class. Constructed with the highest quality materials and unprecedented techniques - this vessel sets a new standard for sportfish and cruising yachts. Construction features an infused vinylester solid fiberglass hull bottom with Kevlar centerline and strake reinforcements. Full-load displacement is 88,000 lbs. The innovative techniques used during the build process warrant the longevity and durability Bertram enthusiasts are familiar with. Advanced engineering allows for an 18-degree deadrise, 4'10" shallow draft and a 188 sq. ft cockpit. Twin Caterpillar C32, 1900 MHP engines provide top-of-the-line performance and speed. A Seakeeper 16 gyro stabilizer and Propspeed coated running gear are just a few of the standard specifications that set this boat above the industry standard. Designed and fully equipped for tournament sportfishing, the Bertram 61 also provides luxury accommodation for those looking for a fast and smooth ride for long distance adventures. The open galley/salon layout features a custom, frameless, near military-grade panoramic window, allowing a 360-degree view of the horizon. The three-stateroom floor plan, including a full-beam master, is optimized both for living space and abundant storage.

Basic Information

Category: Sport Fisherman

Sub Category: Convertible

Model Year: 2019

Year Built: 2019

Country: United States

Vessel Top: Hardtop

Fly Bridge: Yes

Cockpit: Yes

Dimensions

LOA: 61' 1" (18.62m)

LWL: 53' 7" (16.33m)

Beam: 18' 3" (5.56m)

Max Draft: 4' 10" (1.47m)

MFG Length: 61' 1" (18.62m)

Speed, Capacities and Weight

Displacement: 88000 Pounds

Water Capacity: 280 Gallons

Holding Tank: 103 Gallons

Fuel Capacity: 1720 Gallons

Accommodations

Total Cabins: 3

Total Berths: 4

Total Heads: 3

Hull and Deck Information

Hull Material: Fiberglass

Deck Material: Fiberglass

Hull Configuration: Deep Vee

Hull Color: White

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: CAT C32A

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Electrical Equipment

- Garmin electronics package
- OctoPlex G2 ship's control system
- Caterpillar 360: includes upgrade to hydraulic bow thruster
- Two (2) Onan 21.5 KW generators with sound shield
- Two (2) shore power inlets, 240V/120V (50-amp)
- Cablemaster cord storage system
- 12/24V main distribution panels with voltmeter, generator controls, magnetic circuit breakers and shore power selector switches
- Two (2) 24V heavy-duty battery chargers
- LED light fixtures on dimmers
- Vimar outlets and switches throughout
- Alarm monitor system with bilge flood signal for five (5) compartments
- Flybridge main engine control panel
- Continuous power to bilge pumps, fire and bilge flood monitors
- AGM heavy-duty batteries. Separate house and starting batteries
- Bonding system with galvanic isolator
- Navigation lights
- N2K backbone
- FLIR Fixed mount thermal night vision camera
- ACR spotlight

Hull

- HK high definition gelcoat, white
- Ice blue hull paint
- Flag blue house stripe
- Flag blue boot stripe
- Molded, infused, vinyl ester hull with Kevlar keel and strakes
- Molded yacht-finish sand texture non-skid on deck surfaces
- Deck and FRP components: molded, infused vinyl ester composite
- Hatches/doors with FRP liners
- Heavy-duty white vinyl rub rail with stainless steel insert and end caps
- Deck house feature stripe and hull boot stripe (standard is navy blue)
- Built-in swim steps
- SeaHawk black bottom paint with epoxy primer coat
- Hull-side master stateroom windows (Port and Starboard)

Mechanical

- Twin 1,925 mHP CAT C32A, turbo charged main engines with vibration dampening isolators, Twin Disc gears and CAT controls, engine driven alternators, dual Racor filters and custom exhaust Seakeeper 16
- Dometic chilled-water, multi-zone A/C, 96,000 BTU with sound shield
- Engine room intake and exhaust blowers with demisters
- Heavy-duty sound absorbing insulation in engine room
- Isotherm 30-gallon electric water heater
- Aquamet 22 shafts, 3.5" diameter
- Tides dripless shaft seals
- High performance rudders and struts
- Emergency engine-driven bilge water evacuation system
- LED lighting in engine room
- Two (2) heavy-duty FRP fuel tanks: 1,000-gallon main and 720-gallon auxiliary
- Fixed fire suppression system in engine room with emergency engine shutdown system
- SeaStar Optimus EPS power-assisted, dual ram hydraulic steering
- Bronze seawater strainers for generator, A/C and raw water pumps
- Bronze seacocks on all underwater thru hull fittings, bonded
- Six (6) bilge pumps, automatic/manual
- Dry bilge system, three zone
- Grey water sump with automatic discharge for showers and sinks
- Humphree interceptor trim system with auto control
- Hull zinc, recess transom mounted
- Running gear coated with Prospeed
- Pressurized freshwater system with regulated dockside fresh water supply
- Roto-molded freshwater tank, 280-gallon, with level indicator
- Roto-molded holding tank, 103-gallon, with level indicator, electrical pump-out and plumbed for dockside pump-out
- Engine oil change system

Cockpit

- Teak cockpit sole
- Teak mezzanine sole
- Teak custom fighting chair with footrest and rocket launcher
- Fortress anchor with chain and rode, accessed from foredeck
- Custom stainless steel bow chock

- Anchor locker with freshwater wash-down
- Aluminum bridge ladder
- Eight (8) cleats – four (4) at bow and stern, four (4) at springs
- Cockpit under-gunwale storage with doors, port/stbd.
- Frameless house and aft bulkhead windows, tinted laminated glass
- 2" diameter fuel fills (port/stbd. for main and one stbd. forward for auxiliary)
- Foredeck hatch, 27" with screen and shade
- Port/stbd. removable fish boxes with macerators
- LED cockpit lighting
- Transom door with separate top gate
- Transom live well with aquarium view and removable lid
- Six (6) rod holders
- 12V electric reel sockets in cockpit under gunwale
- Two (2) waterproof speakers at mezzanine
- Eskimo shaved ice maker
- Saltwater wash-down
- Freshwater wash-down
- Shower with hot/cold functions
- Mezzanine seating with cushions
- Two (2) custom refrigerated compartments
- Kenyon electric cockpit grill
- 10 LED underwater lights

Fly Bridge

- Two (2) Murray Maximus helm chairs
- Varnished, high gloss helm pod
- Palm Beach controls with integrated bow thrusters
- CAT Marine 7" color display
- Ritchie compass
- Four (4) waterproof speakers
- Ongaro tournament steering wheel, stainless steel
- USB outlets
- OctoPlex multifunction display
- Fusion stereo
- Port/stbd. seating with cushions and adjustable lounge backrests
- Kahlenberg marine air horn
- Air Conditioning on bridge
- Flybridge drop-in freezer unit
- Pipewelders triple spreader outriggers
- Hardtop: Molded fiberglass hardtop with aft bridge rail, rod holders, bridge ladder,

3-sided enclosure, LED overhead lights, LED navigation lights, LED spreader lights, radar box on top, recessed instrumental panel

- US-9 Teaser reels installed in overhead box

Salon

- Atlantic interior package: Matte finish teak with cream upholstery, light countertops, white oak flooring throughout and designer cabinets
- Custom-molded, panoramic salon window
- OctoPlex multifunction display
