- Dockside water inlet/Cockpit

---

## EXCLUSIONS

---

- Owners tools

---

## BROKERS REMARKS

---

“Persistence” has had the same owner for the last 20 years. She has been continuously maintained and upgraded. Her owner purchased her due to Tiara’s pedigree and due to its popularity having had a very successful production run from 1985 to 1996. Due to the fact the boat was not built with prop tunnels and has a keel, makes her close quarter handling a breeze.

If you’re a knowledgeable Buyer, you will not find a better-quality well-maintained vessel in her size. A must see.

---

## Exclusions

---

Owner's personal belongings.
