Beam: 18' 9" (5.72m)

Speed, Capacities and Weight

Displacement: 91300 Pounds

Water Capacity: 300 Gallons

Holding Tank: 135 Gallons

Fuel Capacity: 1620 Gallons

Accommodations

Total Cabins: 3

Total Heads: 3

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: C32 Acert

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Description

The 60' Viking Convertible is one of those rare boats which comes along every so often and redefines an entire market. The model is the classic example of why Viking continues to dominate the market for Sportfishing Yachts. The 60' is a wonderful blend of cutting edge styling, world class engineering and absolutely breath taking performance. The best 60' Convertible ever built.

"Blue Angel" was originally built as a Viking Company Demo and is arguably the most highly customized 60' ever built. She is a beautifully outfitted, low hour (2550), captain maintained 60' which has been constantly updated by her very discerning owner. She is powered by CAT C32A 1825 HP Diesels, features the much preferred 3 stateroom layout, a Palm Beach Tower Package, and an all new Electronics package.

Other notable options include 2 Generators, Eskimo Ice Machine, Watermaker, teak cockpit, mezzanine, coaming, flybridge, transom and toe rails (note transom and toe rail are real teak not Faux).
