

JUST IN TIME — HATTERAS

Судостроитель: HATTERAS

Год постройки: 2010

Модель: Моторная яхта

Цена: ЦЕНА ЯХТЫ ПО ЗАПРОСУ

Местонахождение: United States

Длина общая: 73' 4" (22.35m)

Ширина: 20' 2" (6.15m)

Макс. осадка: 5' 4" (1.63m)

Купить **JUST IN TIME — HATTERAS** а также выбрать подходящую вам яхту из нашего **каталога яхт** вам поможет опытный яхтенный брокер Андрей Шестаков. На сегодняшний день компания **Shestakov Yacht Sales Inc.** имеет большое количество яхт в **собственном списке продаж**, а также тесно сотрудничает со всеми крупными **яхтенными производителями** по всему миру.

Для того чтобы купить яхту **JUST IN TIME — HATTERAS** а также проконсультироваться по любому вопросу связанному с покупкой, продажей, чартером яхт позвоните по телефону **+7(918)465-66-44**.

ХАРАКТЕРИСТИКИ

Основная информация

Тип судна: Моторная яхта	Подкатегория: Enclosed Bridge
Модельный год: 2010	Год постройки: 2010
Страна: United States	Верх: Enclosed

Размеры

Длина общая: 73' 4" (22.35m)	Ширина: 20' 2" (6.15m)
Макс. осадка: 5' 4" (1.63m)	

Скорость, вместимость и масса

Водоизмещение: 160000 Pounds	Вместимость воды: 300 Gallons
Вместимость сточного бака: 350 Gallons	Объем топливного бака: 2220 Gallons

Размещение

Всего кают: 4	Всего ком. состава: 3
Каюта капитана: Да	Каюты экипажа: 1
Комм. состав экипажа: 1	

Корпус и палуба

Материал корпуса: Fiberglass

Информация о двигателе

Двигатели: 2

Производитель: Caterpillar

Модель: C32

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Description

JUST IN TIME is truly a unique Hatteras 72 Motor Yacht, she is the only one made with an enclosed flybridge. The difference between Hatteras and other boat manufacturers lies in the art of construction. The owner has kept her looking pristine! In 2015 new carpet and soft goods were added, which brought a rich and vibrant style to the vessel's interior. The salon sports a 284- square-foot showroom salon finished to the highest standards with wood accents in combination of African mahogany and satin finish accented by high gloss, including the gorgeous custom detail on the ceiling. Stepping onto the cockpit you will notice the teak is in excellent condition, also there is a custom wood table and a 3 optional control station. The custom electronics throughout the boat make every moment spent on the boat enjoyable with Bose personal music center's in most lounging areas and a Fusion Bridge entertainment station.

Additional Upgrades: Sunken bar port side with icemaker Wine cooler in starboard hutch Window in optional day head Remote control for watermaker in galley Dishwasher/oven/trash compactor in galley Sketch face doors throughout the boat New Bosch Washer/Dryer Optional windows in starboard guest stateroom Custom ladder on bridge And much more!

Exterior Finish & Construction

Isophthalic gelcoat, exterior layer Blister resistant vinylester resin in hull bottom skin coat Hull and superstructure linear polyester/polyurethane coating Polymer/copper based anti-fouling bottom paint Boot stripe, linear polyester/polyurethane coating Decks, non-skid surface, polyurethane paint with polymeric beads Resin infused solid fiberglass hull bottom Hull sides and superstructure laminated with PVC foam core Resin infused fiberglass stringers Steel laminated in stringers at key locations to bolt engine mounts Engine room bulkheads and decks of resin-infused composite construction using PVC foam core with layers of fiberglass laminate on each side

Engine Compartment & Bilge

Engine Hours: Port 1804 Starboard 1805 Generator Hours: 1580 & 1610
UPGRADE: Twin CAT C-32 1650 BHP **UPGRADE:** Stabilizer **UPGRADE:** Sea ladder with

storage brackets **UPGRADE:** Underwater lights **UPGRADE:** Air conditioned back-up water pumps, plumbed and wired **UPGRADE:** Watermaker selection **UPGRADE:** Freshwater AC back-up pump Water manifold with centralized shut-off valve for sinks and showers Pultruded fiberglass ruddershelf with stainless-steel rudder tie bar AC fluorescent lights DC lights DC ventilation blower Twin diesel, freshwater-cooled main engines with electrically controlled marine gears, neutral interlocks, exhaust silencers, engine hour meters, alternators, fuel filters and seawater strainers FM200 fixed fire extinguishing system for engine compartment with automatic and remote manual controls, plus audible and visual discharge signals Two 27.5kW freshwater-cooled Electronic Quiet Diesel Onan generator with shock mounts, sound enclosure, seawater strainer, remote start, fuel/water separator, hour meter and water lift muffler Pressure and temperature controlled forced air induction system with water separators for engine combustion air and fans ducted from walkaround Polyethylene water lines Electric fuel transfer system with filtration and dry tank protection for pump Freshwater fill hose for engines and generators AC compressed air system with air line and regulator Dockside water inlet with pressure regulating valve and Hatteras patented quick disconnect 24 volt DC bilge and sump pumps, two at 2000 gph and six at 3700 gph, with heavy-duty float switches and protective guards Bronze/chrome ball-valves through-bolted in solid fiberglass on all underwater through hull fittings with electrical bonding throughout Pressurized 230 volt AC freshwater pump U.L. Marine listed fiberglass fuel tanks constructed from fire retardant resin with bronze fittings and coated with fire retardant paint Fiberglass water tanks, constructed with bronze fittings and materials which comply with the requirements of Title 21 for food and drugs. Sewage holding tank with 230 volt AC sewage pump, plumbed for dockside pump-out with $\frac{3}{4}$ full display and alarm as part of systems monitor programmable logic controller 110-volt AC oil changing system for engines, generators and gears with Hatteras patented quick disconnect. U.L. Marine listed fuel filter/water separator, generators Sealed shower sump, one each U.L. Marine approved fuel filters/water separators with dual filters, engines Electric fuel priming pumps, 24 volt DC, engines Painted polyurethane engine room and bilges Air conditioning compressors and pumps United States Coast Guard type A1 U.L. Marine approved fuel lines Discharge sea chests 1" stainless-steel steering tie bar with pivoting selfaligning ball joint connection at all cylinder and tie bar connections Insulation in deck Pick-up sea chests Digital monitoring for main engines in battery panel Start and stop switches and hour meter Rubber deck mat between engines

Custom Electronics

Sea Recovery Water Makers 1800GPD - fully automatic ABT - 10" hydraulic stern thruster Salon Entertainment & AV Rack: H24 High Def Receiver / Capable of RF) Remote Control DirecTV - RF remote for Direct TV receivers. Bose - V 35 Lifestyle

Electrical System

230 volt AC 30 gallon electric water heater in engine room, 20 gallon electric water heater in forward bilge compartment Two 24 volt banks of heavy-duty, 12 volt marine batteries (4) mounted in fire retardant fiberglass boxes U.L. 1426 listed boat cable, tin coated with insulation Gel/lead acid compatible 240 volt automatic programmable battery charger, 50/60Hz Automatic battery paralleling system with switch at control console Two 240 volt, 100 amp, transformer connected retractable shore cords with over-current protection and wireless remote control (bow deck) AC and DC lights and fixtures Battery control panel with fuses and isolation switches DC electronics panel with magnetic circuit breakers (flybridge) AC and DC distribution panels with magnetic circuit breakers AC switching panel with source selector switches, digital volt meter, ammeter, frequency meter, generator start/stop controls, voltage boost tap switch and interlock selector breakers Navigation lights, certified to United States Coast Guard and ABYC specifications Ground fault protection on AC receptacles and lighting circuits Air conditioning, 90,000 BTU, with reverse-cycle heating, with A/C compressors, individually controlled by SMX controls in each compartment TV antenna, omni-directional

Hardware and Miscellaneous

UPGRADE: Portlight with window treatment and valance Wood bulkheads, cabinetry

and trim with a high-gloss polyester finish in African mahogany All hardware polished chrome with brushed chrome in galley Welded and polished stainless-steel anchor chute and roller 90-pound plow anchor and deck hawse pipe Windlass, 3,500 pound electric with 300 feet of acculoy hot dipped galvanized chain with deck mounted control switches Dual prop bow thruster, 32hp hydraulic Six polished stainless-steel springline cleats with chafing strips, through bolted in aluminum backing plates Polished stainless-steel bow cleats, through bolted in aluminum backing plates Polished stainless-steel stern cleats, through bolted in aluminum backing plates Welded and polished stainless-steel rails on bow, side-deck and flybridge, drilled and tapped in aluminum backing plates Fog bell Dual air horns Zincs on rudders and shafts Stern staffs with ensign Black braided mooring lines (6) Alloy 22 high-strength propeller shafts Manganese bronze dripless rudder seals Dripless shaft seals Life jackets (8) Life ring Portable "drychem" fire extinguishers (7), U.L. approved type in compliance with United States Coast Guard and ABYC standards Stainless-steel trim tabs Integral manganese bronze struts Stainless-steel rudders 8-blade propellers, Nibral high performance Marquipt Tide Ride eight step sea stairs with storage brackets Walk around side decks Forward sun pad with multi-position adjustable backrest Central vacuum, 2 outlets Davit, 1000 pound, fully hydraulic Holding tank with sewage pump and overboard discharge Black fenders (4) Deck plates for fuel and water fills and waste pump-out Heavy duty engine couplings Engine and generator exhaust exits through hull side near transom Generator exhaust, water separator Anchor locker on bow deck

Arrangement Description

Optional lower deck arrangement Four staterooms, three head arrangement with his and her master head Upper arrangement - Pilothouse galley no helm with Forward lounge Upper arrangement - Day head Aft VIP Crew quarters

Flybridge and bridge deck

UPGRADE: Enclosed Flybridge **UPGRADE:** Double grill 186 square foot boat deck Systems monitor with programmable logic controller read-out, visual and audible signals for exhaust temperature, alternator, battery voltage, high bilge water, fire warning in engine compartment, fire extinguisher discharge in engine room, AC power loss, smoke detectors, carbon monoxide detectors, and holding tank $\frac{3}{4}$ full monitor Molded fiberglass bridge Welded and polished stainless-steel grab rails and stanchions Tempered glass windshield Control station with all necessary switches and dimmable lighted instruments Painted (polyurethane) aluminum radar arch with masthead light and anchor light Compass with dimmable light Single-lever clutch and throttle controls (electronic) with emergency back-up and engine synchronization Hydraulic power assisted steering Adjustable helmsman and companion seat with covers (Pompanette) DC AM/FM stereo receiver with CD player and speakers Wet bar with sink, refrigerator, icemaker and three barstools Stairs from galley to bridge Molded-in stairs to aft deck

with hatch DC low level lights Neutral interlock switches allowing engine to start in neutral only Fuel level gauges

Enclosed Flybridge

240 square foot boat deck Systems monitor with programmable logic controller read-out, visual and audible signals for exhaust temperature, alternator, battery voltage, high bilge water, fire warning in engine compartment, fire extinguisher discharge in engine room, AC power loss, smoke detectors, carbon monoxide detectors, and holding tank $\frac{3}{4}$ full monitor Molded fiberglass bridge Northstar 6101i GPS/plotter, Icom VHF, Simrad autopilot repeater, Furuno RD30 depth and temp Welded and polished stainless-steel rails and stanchions Elevated L-shaped lounge with storage to starboard Stone table with stainless-steel pedestals (choice of standard stone options) Adjustable helmsman and companion seat Solid surface table with bench seat and storage on flybridge's starboard aft deck Fixed frameless windows with safety glass Intermittent electric windshield wipers/washers with controls Padded vinyl chart flat Forward control station with all necessary switches, single-lever electric clutch and throttle controls, synchronizer, back-up controls, power assisted steering, compass and electronic console Carpeting Dry bar with refrigerator, icemaker and storage 32" LCD TV DC AM/FM stereo receiver with CD/DVD player and speakers Hinged door AC duplex outlets Padded panel headliner (installed on track system for service access) Storage lockers, port Carbon monoxide detector Smoke detector

Aft Deck

UPGRADE: Drop down wing station with clutch & throttle controls, starboard
UPGRADE: Freshwater washdown **UPGRADE:** Transom bustle hoop rails
UPGRADE: 20 LCD TV Fold down overhead **UPGRADE:** Natural finish teak
UPGRADE: Natural finish teak steps from aft deck to boat deck **UPGRADE:** Hand held shower **UPGRADE:** Aft deck side gates, port and starboard Molded fiberglass with non-skid sole Molded bench seating with vinyl covered polyfoam cushions and cover Molded fiberglass steps with lights to flybridge Dual molded fiberglass steps, port and starboard, to swim platform with lights Boarding gates, port and starboard side decks Welded and polished stainless-steel door to deckhouse Amplifier, speakers, and volume control integrated with Bose® salon stereo Hardtop AC duplex outlet AC lighting in hardtop Access to sidedecks Aft deck table of solid-surface material Freshwater wash down outlet with hose connection and Hatteras patented quick disconnect

Sport Deck

Molded fiberglass with non-skid sole Freshwater wash down outlet with hose connection and Hatteras patented quick disconnect Welded and polished stainless-steel

railing Molded-in fiberglass steps with DC lights to aft deck Cleats (2) Swim platform with re-boarding ladder Watertight door to utility room and engine room

Galley

UPGRADE: Appliance trash compactor **UPGRADE:** 20 LCD TV swivel mounted
UPGRADE: Oven 30 in. **UPGRADE:** Dishwasher **UPGRADE:** Remote control for watermaker Amtico vinyl-strip flooring Padded panel headliner (installed on track system for service access) Safety glass Lighted stairway to lower companionway Lighted stairway with finished wood steps and door to flybridge Microwave/convection oven AC and DC lights and fixtures AC dimmable lights AC duplex outlets Amplifier, speakers, and volume control integrated with Bose® salon stereo Lounge with storage underneath and stone table with stainless-steel pedestal (choice of standard stone options) Pantograph doors with locks, port and starboard, to side decks Stone countertops with undermount stainless-steel sink and storage cabinets made of finished wood (choice of standard stone options) 42" upright refrigerator and freezer with icemaker AC four-burner ceramic cooktop One-half hp continuous feed garbage disposal SMX HVAC compartment controlled Walk-in pantry starboard side Water level gauge Storage cabinets Smoke detector Carbon monoxide detector

Salon

UPGRADE: Sunken bar with 3 chairs and granite counter top Carpeting Padded panel headliner (installed on track system for service access) Custom designed decorative wood valances with fixed Roman shades and duettes Welded and polished stainless-steel door to aft deck opening from center Buffet Cabinet China cabinet with mirror Step to galley Stairwell to lower utility room and engine room 42" LCD TV with omnidirectional antenna Bose® Lifestyle 35 home theater with AM/FM, CD/DVD, and surround sound speakers Icemaker Fixed frameless windows with tinted safety glass AC and DC lights and fixtures AC dimmable lights AC duplex outlets Custom sofa with storage Throw pillows Air conditioning dispersed through decorative valances, port and starboard DC low level lighting behind toe kick, port side Coffee table One club chair Carbon monoxide detector Smoke detector SMX HVAC compartment controlled Formal dining table with six chairs

Companionway

Carpeting Padded panel headliner (installed on track system for service access) Padded panels on hullside(s) and bulkhead(s) (installed on track system for service access) Flush panel door with door stop to master stateroom and guest staterooms Lighted stairway to galley DC light fixtures Washer/dryer Central vacuum

Master Stateroom

Carpeting Padded panel headliner (installed on track system for service access) Padded panels on hullside(s) and bulkhead(s) (installed on track system for service access) King-sized berth with upholstered headboard Upholstered berth base Polyfoam mattress, spread, throw pillows, pillows, pillow shams, mattress pad and sheets(E) Walk-in cedar-lined wardrobe with doors and automatic lights to starboard and additional hanging locker to port. Nightstands with drawers Dressers with drawers, port and starboard 26" LCD TV Bose® 3-2-1 GS with AM/FM and DVD/CD w/speakers Full-length mirror AC and DC lights and fixtures AC dimmable lights DC low level lights under berth AC duplex outlets Private access to head Smoke detector Carbon monoxide detector Custom designed decorative wood valance with fixed Roman shades and black-out duettes Air conditioning dispersed through wood soffit over berth SMX HVAC compartment controlled Ventilating portlights, (2) with screen and four additional fixed portlights Sitting area with lounge and storage

Bow Guest Stateroom

UPGRADE: 20 LCD TV Carpeting Padded panel headliner (installed on track system for service access) Padded panels on hullside(s) and bulkhead(s) (installed on track system for service access) Queen sized tapered berth with upholstered headboard and cedar lined storage accessed via pneumatic cylinders Upholstered berth base Polyfoam mattress, spread, throw pillows, pillows, pillow shams, mattress pad and sheets(E) Cedar-lined hanging locker with door and automatic light, port and starboard Nightstands, port and starboard DC AM/FM stereo receiver with CD player and speakers Full-length mirror AC and DC lights and fixtures AC dimmable lights DC low level lights under berth AC duplex outlets Private access to head Smoke detector Carbon monoxide detector Air conditioning dispersed through decorative wood valance SMX HVAC compartment controlled Screened overhead hatch with privacy cover Overhead storage cabinets port and starboard

Port Guest Stateroom

UPGRADE: 20 LCD TV **UPGRADE:** Portlight with window treatment and valance Carpeting Padded panel headliner (installed on track system for service access) Padded panels on hullside(s) and bulkhead(s) (installed on track system for service access) Queen sized tapered berth with upholstered headboard and cedar lined storage accessed via pneumatic cylinders Polyfoam mattresses, spreads, throw pillows, pillows, pillow shams, mattress pads and sheets(E) Cedar-lined hanging locker with door and automatic light Nightstand with drawers 19" LCD TV Bose® 3-2-1 GS with AM/FM and DVD/CD w/speakers Full-length mirror AC and DC lights and fixtures AC dimmable lights AC duplex outlet Smoke detector Carbon monoxide detector Air conditioning dispersed through decorative valance SMX HVAC compartment controlled

Fourth Stateroom Stbd

UPGRADE: 20 LCD TV **UPGRADE:** Portlight with window treatment and valance
Carpeting Padded panel headliner (installed on track system for service access) Padded panels on hullside(s) and bulkhead(s) (installed on track system for service access)
Upper and lower berths with storage under lower berth Upholstered berth base
Polyfoam mattresses, spreads, pillows, mattress pads and sheets(E) Cedar-lined hanging locker with light Full-length mirror AC and DC lights and fixtures AC dimmable lights AC duplex outlet Smoke detector Carbon monoxide detector SMX HVAC compartment controlled

Master Head

UPGRADE: Plexi mirrored ceiling Stone flooring Padded panel headliner (installed on track system for service access) Wallcovering Stone countertop, backsplash, and sidesplash with two undermount sinks Stone baseboards Stone shower with frameless door Storage cabinet with mirror Base cabinet to match interior finish with storage Towel bar Freshwater toilet 120 volt AC air freshener blower AC and DC lights and fixtures DC low level lights under toe kicks AC duplex outlet Plexi-mirror around forward cabinet and aft bulkhead Air conditioning vent Holding tank $\frac{3}{4}$ full indicator light

Optional His and Hers Head

Includes standard master head features plus: - Additional frameless shower door - Additional storage cabinet with mirror - Additional plexi - mirror around upper cabinet - Additional towel bar - Additional Headhunter freshwater toilet

Guest Heads

UPGRADE: Plexi mirrored ceiling Amtico vinyl-strip flooring Padded panel headliner (installed on track system for service access) Wallcovering solid-surface backsplash, sidesplash and countertop with undermount sink Hardwood baseboards Stall shower with seat, sliding door and automatic sump pump Storage cabinet with mirror Base cabinet to match interior finish with storage Towel bar Freshwater toilet 120 volt AC air freshener blower AC and DC lights and fixtures DC low level lights under toe kicks AC duplex outlet Plexi-mirror around upper cabinet Air conditioning vent Holding tank $\frac{3}{4}$ full indicator light

Optional Day Head

Amtico vinyl-strip flooring Padded panel headliner (installed on track system for service

access) Wallcovering Vanity with stone countertop, sidesplash and baseboards with porcelain under-mount sink (choice of standard stone options) Hardwood baseboards Plexi mirror above vanity Base cabinet to match interior finish with storage Towel ring Freshwater toilet 120 volt AC air freshener blower DC light fixtures DC low level lights under toe kicks AC duplex outlet Air conditioning vent Holding tank $\frac{3}{4}$ full indicator light

Optional Crew Stateroom

UPGRADE: Washer/Dryer Carpeting Padded panel headliner (installed on track system for service access) Padded panels on hullside(s) and bulkhead(s) (installed on track system for service access) Queen berth Padded berth base Polyfoam mattress, spread, pillow, pillow shams, mattress pads and sheets Cedar-lined hanging locker with doors and automatic light 19" LCD TV DC AM/FM stereo receiver with CD/DVD player and speakers AC and DC lights and fixtures AC duplex outlets Smoke detector Carbon monoxide detector SMX HVAC compartment controlled Stairwell from salon Watertight door from swim platform

Optional Aft Stateroom Head

Amtico vinyl-strip flooring Padded panel headliner (installed on track system for service access) Wallcovering Solid-surface countertop with integral sink and storage cabinet Stall shower and automatic sump pump Mirror Towel bar Headhunter freshwater toilet Recirculating fan AC and DC lights and fixtures AC duplex outlet Air conditioning vent Holding tank $\frac{3}{4}$ full indicator light
