SPECIFICATIONS

Overview

This new Bertram 35, based on the foundation of the original 31s, features a large 188 sq. ft. cockpit, dual Yanmar 440 mHP diesel engines and 360 joystick system. On deck, you'll find two large fish boxes plumbed for crushed ice maker, 30-gallon live bait well with aquarium view, port and starboard engine boxes with cushioned lounge seating and removable back rests, on single hydraulic engine box hatch, allowing standing access to engines and Mase generator .

The modern interior is completely wrapped in near military-grade, frameless, molded glass, and features a custom teak dinette table that doubles as a double berth, U-shaped dinette seating with storage behind and underneath cushions, Corian counter tops, over sized sink with hot/cold functions, convection cook-top, microwave and Subzero refrigerator/freezer with ice maker.

Antico flooring runs throughout interior. The queen berth stateroom features a 24" LED Smart TV, cedar-lined hanging locker with built-in privacy enclosure feature to stateroom, and LED overhead lighting on dimmer switches.

The spacious wet-head offers hot/cold shower functions, Corian counter tops and porcelain sink - with storage below and throughout mirrored cabinetry.

Engine room is complete with vibration dampening isolators, sound absorption insulation, Twin Disc running gears, engine driven alternators, dual Racor filters and custom exhaust. LED lighting allows captains and mates to work at any hour.

The molded deep-vee fiberglass hull, deck, and FRP components are infused with vinylester composite using advanced techniques and technologies. The hull is reinforced with Kevlar and strengthened with Keel and strakes running through the centerline in a structural grid, for added support – ensuring the durability and longevity of each hull. Advanced engineering allows for a 13-degree deadrise and a shallow 2'6" draft.

Basic Information

Category: Sport Fisherman

Sub Category: Convertible

Model Year: 2019

Year Built: 2019

Country: United States

Vessel Top: Hardtop

Fly Bridge: Yes

Cockpit: Yes

Dimensions

LOA: 35' 1" (10.69m)

LWL: 31' 5" (9.58m)

Beam: 12' 5" (3.78m)

Min Draft: 2' 6" (0.76m)

Speed, Capacities and Weight

Displacement: 208000 Pounds

Water Capacity: 50 Gallons

Fuel Capacity: 310 Gallons

Accommodations

Total Cabins: 1

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Yanmar

Model: 6LY

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Additional Specs, Equipment and Information

- Designer: Michael Peter's Yacht Design
- Dimensions
- LOA: 35 ft 1 in
- LWL: 31 ft 5 in
- Beam: 12 ft 5 in
- Min. Draft: 2 ft 6 in
- Trim Tabs: Yes
- Displacement: 20800 lb
- Displacement Type: Half Load
- Number of Heads: 1

Engines

Engine #1

Engine Make: Yanmar Engine Model: 6LY Primary Engines: Inboard

Location: Port Engine Year: 2018 Hours: unknown

Power: 440 hp

Engine #2

Engine Make: Yanmar Engine Model: 6LY Primary Engines: Inboard

Location: Starboard Engine Year: 2018 Hours: unknown

Power: 440 hp

Tankage

- Fuel Tanks #: 1
- Fuel Tanks Capacity: 310 gal
- Fresh Water Tanks #: 1
- Fresh Water Tanks
- Capacity: 50 gal

Additional

ENGINES

- Dual Yanmar 6LY 440 MHP

TOP

- **HARDTOP:** molded fiberglass hardtop, aluminum structure with dual ladders to coverboard, aft bridge rail, with four (4) rod holders, LED spreader lights, LED overhead lights, molded platform for radar, tree- sided enclosure (rigid glass forward, soft glass on sides), overhead VHF speaker, collapsible VHF antenna mount

Accommodations

Accommodations

The Bertram 35 features a forward offset queen berth and custom dinette which accommodates a double berth.

STATEROOM:

- Offset queen berth with access to large, integrated storage beneath
- 120V AC GFCI receptacles
- Cedar-lined hanging locker with locking privacy feature for stateroom
- Nightstand with solid-surface top and stainless steel grab rail
- Designer cabinetry with soft close mechanism and Seasmart latches
- Custom mattress
- Designer bedding with custom sheets
- LED overhead lighting with dimmer switches
- LED indirect lighting

- 24" LED smart TV with digital antenna

HEAD:

- 120V AC GFCI receptacles
- LED overhead lighting with dimmer switches
- LED indirect lighting
- Designer cabinetry with soft close mechanism and Seasmart latches
- Corian counter top with porcelain sinks
- Contemporary hardware
- Dometic macerating marine toilet, with key-operated overboard, freshwater
- Flexible handheld shower head with hot/cold water feature
- Exhaust blowers
- A/C vent
- Automatic shower pump

Deck

- Ice blue hull paint
- Black bottom paint
- Molded, infused, vinyl ester hull with Kevlar keel and strakes
- Molded, yacht-finish sand texture non-skid on deck surfaces
- Deck and FRP components: molded, infused vinyl ester composite
- Hatches/doors with FRP liners
- Heavy-duty white vinyl rub rail with stainless steel insert and end caps
- Keel-mounted receptacle for common Airmar Transducers

Electrical

- Mase 7 KW generator with sound shield
- Shore power inlet, 240V/120V (50-amp)
- 12/24V main distribution panel with voltmeter, generator controls, magnetic circuit breakers and shore power selector switches
- 24V heavy-duty battery charger
- LED light fixtures on dimmers
- Vimar outlets and switches throughout
- Alarm monitor system with bilge flood signal for three (3) compartments
- Flybridge main engine control panel
- Continuous power to bilge pumps, fire and bilge flood monitors
- Six (6) AGM heavy-duty batteries. Four (4) house and two (2) starting batteries
- Bonding system with galvanic isolator
- Navigation lights
- LED navigation lights incorporated into flybridge
- N2K backbone: offshore 3345 N2K tank monitor display at main electrical panel reading electronic tank sensors (fuel, freshwater, grey water, waste), 3350 digital tank level fuel controller control at helm, trim tab and rudder indicator

Electronics

(Garmin) 7616XSD MFD with built in 1 KW sounder, J1939 Caterpillar interface, and GPS antenna;

7616 MFD with built in J1939 Caterpillar interface, and GPS antenna; GMR 424 XHD 2 Open Array (4ft) Radar; External 19x GPS antenna; GHP reactor Autopilot; GRID Remote Input Device; Pocket keel mounted Chirp Transducer B275C-LH.

Galley

Galley

-
- Sliding, white powder-coated, aluminum salon door with locking feature
 - Amtico, teak and maple flooring
 - LED overhead lighting with dimmer switches
 - LED indirect lighting
 - Large custom U-shaped seating with solid-surface dinette table and convertible double berth filler
 - Large overhead storage/rod locker
 - Sub-Zero double-drawer refrigerator/freezer and ice maker unit with Seasmart latches
 - Kenyon two-burner SILKEN2 Trim Line induction cooktop
 - Microwave/convection oven
 - Designer cabinetry with soft close mechanism and Seasmart latches
 - Solid surface countertop with custom stainless steel sink and hot/cold faucets
 - Fusion subwoofer/amp and built-in Soundware XS speakers
 - Dometic A/C controls
 - 120V AC GFCI receptacles with USB outlets

Mechanical Systems

- Twin 507 mHP CAT C7.1, turbo charged main engines with vibration dampening isolators, ZF gears and CAT controls, engine driven alternators, dual Racor filters and DeAngelo exhaust
- 24V Vetus bow thruster
- 16,000 BTU, multi-zone A/C, with reverse heat cycle and sound shield
- Engine room intake and exhaust blowers with demisters
- Heavy-duty sound absorbing insulation in engine room
- Isotherm 6.5-gallon electric water heater
- Aquamet 22 shafts, 2" diameter
- High performance rudders and struts
- Emergency engine-driven bilge water evacuation system

-
- LED lighting in engine room
 - Two (2) heavy-duty, aluminum epoxy-coated fuel tanks: 1,000-gallon main and 720-gallon auxiliary
 - Fixed fire suppression system in engine room with emergency engine shutdown system and audio/visual discharge indicators
 - SeaStar Optimus EPS power-assisted, hydraulic steering
 - Bronze seawater strainers for generator, A/C and raw water pumps
 - Bronze seacocks on all underwater thru hull fittings, bonded
 - Three (3) automatic/manual bilge pumps, 2000 GPH each
 - Dry bilge system, three zone
 - Grey water sump with automatic discharge for head shower and sink
 - Lenco trim tabs with zincs and auto glide
 - Hull zinc, recess transom mounted
 - SeaHawk bottom paint with epoxy primer coat
 - Running gear coated with Propspeed
 - Pressurized freshwater system with regulated dockside fresh water supply
 - Roto-molded freshwater tank, 50-gallon, with level indicator
 - Roto-molded holding tank, 30-gallon, with level indicator, electrical pump-out and plumbed for dockside pump-out

Additional

- Rupp single spreader outriggers
- Palm Beach style controls with integrated bow thruster control
- (2) two 24V underwater lights

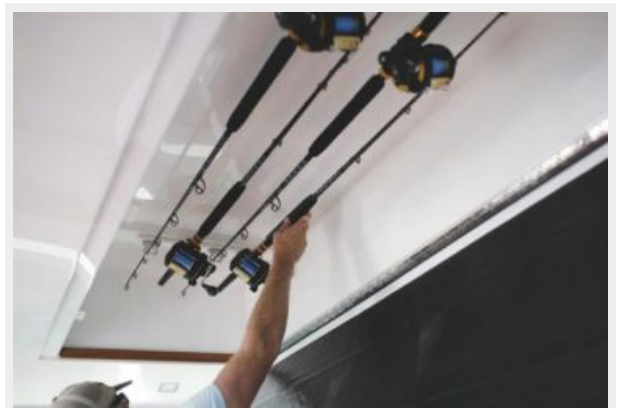

Exclusions

Owner's personal belongings.
