SPECIFICATIONS

Overview

Valkyrie boasts of a 49 Hunter in immaculate condition. She has been maintained impeccably, which is evident throughout. Built to be a true passage-maker sloop offering a versatile floor plan for comfortable extended cruising, her live-aboard accommodations and entertainment features are best in class.

Being almost a 50 footer, there is volumes of interior and deck space, while maintaining to be a true single-handed sailboat. Her specially engineered sail-plan achieves maximum efficiency, which is achieved not with a jib but the 110% genoa sail that others in her class don't offer.

Components aboard the Hunter 49 include Hunter's famous mainsheet traveler arch, back stayless B & R rig, a battened full main sail, and the aforementioned self-tacking staysail with overlapping jib. A dual-ended mainsheet allows adjustments from both the cockpit and companionway, and all sheets and halyards end at the cockpit.

Basic Information

Category: Cruising Sailboat
