DETAILED INFORMATION

Accommodations and Layout

Features: Flybridge, Large Pilot House, Galley up. Walk around side decks. Sleeps 8 Owners and Guests in four staterooms. The Master stateroom is aft with adjoining private head. VIP stateroom is forward, with adjoining private head. Two Guest staterooms to port and starboard share third head. The roomy layout starting aft has a builtin staircase from the swim platform up to the covered aft deck with its custom built removable teak table that seats six. Through the double sliding teak frame doors from the aftdeck into the main salon is a custom couch on the starboard side coffee table. On the port side as you enter the salon from the afterdeck, is a builtin bar with icemaker. Just forward of this is the staircase leading down to the laundry, engine room and Master stateroom. The Master stateroom features a new kingsize bed with custommade Handcraft innerspring mattress on centerline, bureaus and hanging lockers. The adjoining head has a shower and tub. Forward of the salon, is a breakfast bar adjoining the fully equipped galley. The galley has counters with large stainlesssteel sink served by hot and cold pressure water, and a garbage disposal. A fullsize, JennAire 4burner electric stove with grill and oven. Raritan ice maker. Two water heaters. Pressure dockside water system. Additional appliances include a dishwasher, microwave and coffee maker, new Fisher Paykel refrigerator. Forward of the galley, you step up into the huge pilothouse. Behind the helm station is a builtin raised dinette with ample seating for six. The pilothouse has doors port and starboard which open onto the covered full walk around decks. On the port side of the pilothouse there is a staircase up to the flybridge and also a staircase down to the guest accommodations forward. The VIP stateroom is forward with a Queen size bed also with a custommade Handcraft innerspring mattress on centerline. This stateroom is adjoined by private head, shower and tub. The Guest stateroom on the port side has upper and lower bunks. The starboard side Guest stateroom features twin beds. These share a head with stall shower.

Hull and Construction

Designed by Ed Monk on an efficient modified VHull with simulated planks on hull. Solid fiberglass hull and cored fiberglass deck and superstructure. Teak overlay on side decks and flybridge deck. White gelcoat finish topsides with blue stripe and blue boot top. Full flybridge enclosure. Please note the headroom: Wheelhouse = 6'7" Salon = 6'7" to 6'10" Forward stateroom = 6'8" to 6'10" Forward head = 6'7" Aft stateroom = 6'4" to 6'5" Engine room 6'8" Galley = 6'10" to 6'11".

Broker Comments

SYMMETRY is a perfect vessel for extended cruising or liveaboard. Wide, safe walkaround side decks give easy and safe access to the open spaces. She can run at 1620 knots at the higher rpm's, but she is also a great long-distance cruiser. She will

consume about 18 gals/hr at 1300 rpm and maintains just over 12 knots. The owner is now moving up to a larger yacht and is looking for a new home for her.

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel or yacht is offered subject to prior sale, price change, or withdrawal without notice.
