Clima 144BTU x4

Other Machinery

BOW THRUSTER: OYS – 82kW, 3 phase electrically driven

WATER MAKERS: Idromar – 2 x 350 litres per hour

x2 Anchor winches

Accommodation

The general impression of TRIDENT's interior accommodation is contemporary with an abundance of carefully selected and assorted natural materials and fabrics.

TRIDENT can sleep up to 10 guests in her 5 classic and luxurious cabins.

The full beam owner's suite is situated forward on the main deck with a study, walk in cabinets and a large his and hers bathroom. On the main deck there is a very large and light salon with large opening doors to a spacious aft deck. In addition a pantry and

day head are located in the main entrance as well as the lift.

On the lower deck are large en suite guest cabins with doubles and two guest cabins with twin beds and ensuites. The lower deck further accommodates the crew mess and crew accommodation for 8 crew (plus Captain's cabin on the bridge deck). There is a large tender garage with crane and side-launching of the tender leaving a large area for the beach club and swim platform.

On the bridge deck there is a sky lounge for lounging as well as dining with a circular dining table for 10.

The partially covered flybridge is equipped with all the luxury one would expect including barbeque, fridges, seating, sun-lounging and to top it off there is a lap stroke swimming pool.

TRIDENT's accommodation is designed for a relaxing lifestyle while underway or anchored in more or less exotic anchorages. Family oriented quality time or more formal cocktail or dining activities all fit well on Trident.

GALLEY & LAUNDRY EQUIPMENT
