SPECIFICATIONS

Overview

Triple Lindy is one of a kind version of the popular Frers Swan 44 cruiser racers that has been fully optimized for racing with a custom carbon fiber bowsprit, upgraded standing and running rigging, and an extensive racing inventory but also has several cruising amenities including air conditioning and microwave. Prior to being shipped around the world in 2016-2017 on the deck of cargo ships to compete in some of the greatest yacht races including Newport Bermuda, Sydney to Hobart, Fastnet and the Middle Sea Race most all of her equipment was replaced, including new SS rigging, electrical and electronic systems, and hull awlgrip. She has an impressive racing record on both ORC and IRC including podium finishes in 3 Bermuda races, a Marblehead to Halifax Race and in her two most recent races she won her division in the 2017 Middle Sea Race and placed 2nd in the classic German Frers division of the 2018 Rolex Swan Cup Port Cervo. She is in turnkey condition and ready for her next adventure.

Basic Information

Category: Cruising/Racing Sailboat

Model Year: 1999

Year Built: 1999

Country: Italy

Fresh water divided between 2 tanks with individual shut off valves, electric and foot pump. Shower on Transom swim platform and in both heads. Electric sump pumps in both heads, 110V or Engine drive hot water heater (40 Liter), Salt water wash down, Salt water foot pump in Galley

Ventilation System

Goit hatches in each cabin, 2 Cowl vents forward of mast, Engine space ventilated to transom, Hella fans, Cruiseair 16,000 BTU air conditioning 110 V.

Drainage System

3 bilge pumps, 1 automatic in cabin (2016), one manual in cabin (rebuilt 2016), one manual in cockpit (rebuilt 2016)

ELECTRICAL SYSTEM

DC System

12 V 510 AH AGM house battery capacity (2 12 V 255 AH batteries connected in series) 2015

12 V AGM starter battery (2018)

2 120 AMP Alternators (2015)

Balmar Duocharger (2015)

Regulator, Display and Temperature Sensors (2015)

AC System

Two 115 Volt 30 Amp shore power plugs,, Galvanic Isolators, portable 220V to 110V step down transformer. 110 V microwave, Air Conditioner, Outlets in forward, salon and aft cabins

Charger

Mastervolt Chargemaster 12/100-3 Battery Charger (2015)

ELECTRONIC SYSTEMS

Navigation Instruments

B&G Zeus2 9" chartplotter x 2 at nav desk and cockpit helm (2015)

B&G ZC1 wired remote at helm to control Zeus chartplotter and helm if touch screen falters in foul weather. (2015)

B&G Hydra 3000 CPU (2014)

B&G GFD H3000 GFD at Nav desk (2015)

B&G Hydra 2000 FFD at Cockpit Helm (Spare on board)

B&G H3000 20/20 displays x 3 at mast (2014), selector buttons in cockpit

Vesper XB-800 AIS Tranceiver-with spare already programmed (2016)

B&G Broadband Radar, backstay gimbled mounted (2015)

B&G T41 multifunction display at mast (2016)

B&G 1050mm Vertical Masthead Wind sensor (2016) to minimize updrafts

B&G Hydra Autopilot, CPU serviced 2014, (spare CPU and controller on board)

B&G Electronic Barometer

B&G Autopilot hydraulic RAM (rebuilt 2015)

Second independent airmar depth sounder with display in cockpit

Communications Systems

Icom- M710 SSB with backstay insulated antennae, and backup emergency antennae and transom mount as required by Sydney Hobart Race.

Icom DSC VHF (2015)

Iridium satellite antennae wired from nav desk to transom mount(suitable for connecting a portable iridium satellite phone)

Entertainment Systems
