A perfect example of why Spencer Yachts is a leader in modern sportfishing, LAI DAY brings together custom details and thoroughbred performance to deliver the epitome of a luxury fishing machine.

The 3 stateroom/3 head layout is immaculately maintained by her full time captain with service performed at Michael Rybovich & Sons. Her master stateroom and VIP stateroom, both with ensuite heads offer queen berths, and along with port crew/guest stateroom, allow her to comfortably sleep 7. A spacious cockpit and mezzanine allow for all day comfort, whether fishing, diving or cruising, and her wrap-around bridge seating create additional lounge space forward of the helm. LAI DAY'S fast, yet efficient, Caterpillar C32 ACERT power push a top speed over 44 knots and a comfortable cruise of 37 knots. A spacious engine room and pump room connected with adjoining lazarette allow for easy cleaning and maintenance and ample storage for long trips.
