## Обзор

Lampin is a beautiful planning yacht with 925 hours. Her familiar, yet updated lines reflect over 50 years of nautical expertise and handcrafted quality. Designed to specifically suit the Americas market, she has full "Americas Edition Standard" specifications, plus innovative interior and exterior features.

The focal point of the main salon is a stunning hydraulic drop-down terrace. A substantial garage stores a tender and water toys, leaving the decks and flybridge uncluttered for entertaining. At the bow is a seating and sunbathing area shaded by a removable sail-cover style awning.

Accommodations include an on-deck Master stateroom, two spacious VIP staterooms and two guest staterooms. For ultimate privacy, all staterooms have ensuite heads. One guest stateroom features a convertible sliding berth system to allow for a twin or double berth arrangement.
