Overview

Key Features

- Original Owner
- Lift Kept
- Jet Stick upgraded to the Jet stick II by Hinckley
- Low hrs
- Varnish work all in great shape
- Shallow Draft

Powerboat Guide Description

The Talaria 44 Flybridge is yet another display of Hinckley's commitment to boatbuilding excellence. This is a stunningly beautiful yacht whose blend of sensuous styling and jet-powered propulsion is as distinctive as it is unique. The heart of the 44 Flybridge is her elegant, enclosed pilothouse with its varnished cherry woodwork, teak-and-holly floor, and leather helm seat. Curved glass windows enclose the aft end of the pilothouse, and visibility from the lower helm is excellent in all directions. While Hinckley allows for several interior variations, the standard floor plan is arranged with the galley down and a split head. The Hinckley's spacious cockpit includes built-in seating for several guests as well as a centerline transom door and six-step bridge ladder. What really sets the 44 apart, however, is her JetStick control system.

Basic Information

Category: Cruiser

Sub Category: Downeast

Model Year: 2007
