Manufacturer Provided Description

The Intrepid 410 Evolution is what 32 years of evolution looks like. Always evolving and pushing ourselves to the next level, Intrepid Powerboats is very proud to introduce the next level of high-end yachts. The Intrepid 410 Evolution is a 41.19-foot byproduct of 32 years of evolution and 2 years of creation. And when you experience it, there will be no doubt in your mind it was well worth the wait.

The bullet-style console, an innovative, aerodynamic design to maximize visibility, exudes the sheer power and style of this 400 Center Console. At the helm, with optional power seating, tilt wheel and seating choices, a massive dashboard features the latest flat screen technology and ergonomic accessory switches installed to the owner's preferred specifications. A serious array of fishing amenities include a 5'2" forward in-floor insulated fishbox with macerator pumps, 9-foot gunwale rod lockers, a variety of optional large bait wells, and 15 stowage compartments. In addition, Intrepid will always customize each boat to suit the owner's personal fishing style with options such as a fiberglass T-top supported by sturdy 3-inch diameter bars, outriggers, rod racks, additional bait wells and the latest in electronic and navigational packages.
