3200 31 mph .8mpg

Salesman's Comments

The Formula 37 PC is by far one of the best in its class. Marmaduke has endured years of pampering from her current original owner and is one of the nicest 37 Formulas on the market.

Always lift kept and covered, she surpasses the most discerning buyer's expectations. An interior headroom of 6'6" and sleeping accommodations for up to 6 guests exemplify the wonderful layout and premium quality construction that Formula offers. The cockpit easily seats 8 guest and can also quickly convert to a sun pad. There is a cockpit wet bar, sink and refrigerator as well as a cockpit TV for your outdoor entertainment. The walk-thru windshield is one of the best features making access to the bow and sun pads easily accessible.

Maneuverability is made simple and decisive with the Mercury Axius joystick drive control option. She is aggressively priced and will not disappoint. Call today to schedule your private showing or to answer any questions you may have.

Exclusions

Owner's personal belongings.
