SPECIFICATIONS

Overview

LIKE NEW with less than 200 hours! This 2016 Crownline 285 SS is priced well below a new 2019 model and has the balance of the manufacturers warranty remaining. Crownline's F.A.S.T. TAB® (Fin-Assisted Safe Turn) Hull Design improves low-speed stability, time-to-plane acceleration and fuel economy. Powered by a 6.2L Mercruiser delivering 300 HP, she is perfect for cruising, skiing, tubing, etc. and her enclosed head allows for full days on the water.

Manufacturer's description

For those who want a boat that can be a place to relax under the sun, comfortably hang out with friends and can provide the thrill of water sports, there's the Crownline 285 Super Sport. One of Crownline's most popular boats, the 285 SS is a large runabout that is sleek, stylish and sporty while also being comfortable, roomy and packed with smart, luxurious features. It's a perfect boat for day trip cruising, picnics with the family or exciting afternoons spent wakeboarding or waterskiing. The folks at Boats.com called the 285 SS a "first-rate runabout." They added, "It's a big runabout ideal for day-boating with lots of room and features for passengers, yet still manageable for trailering and towing." This super sport features a spacious layout that is ideal for relaxing and socializing. The cockpit's J-shape seating design has a spacious and comfortable electric sun lounge seat (with dual actuator) that can be used to create a large sun pad, perfect on a sunny afternoon. The cockpit also features tons of storage and a large head compartment with a sink, cabinet, electric flush toilet and stowage on the door. The luxurious bow seating area has innovative angled back rests and specially designed cushions to create an incredibly comfortable and spacious area for soaking up the sun's rays and enjoying speeding over the water. The 285 SS has a large swim platform, with a convenient hand held transom shower. A four-step, telescoping starboard swim ladder makes it easy and safe to get onboard. And thanks to Crownline's F.A.S.T. Tab hull design, boaters will enjoy exceptional performance. Crownline incorporates more customer-driven standard features into every one of their boats, and the 285 SS is no exception. Additional standards, in addition to those already mentioned, include bow flip-up arm rests, color-matched bimini top, color-matched bow and cockpit canvas, snap-in cockpit carpet, dual battery switch, keychain remote control for courtesy lights, LED cockpit lighting package, Raymarine A65 touchscreen MFD, Marine Audio stereo with EIGHT speakers, side-mount portable table, underwater transom lighting, windlass with rope and chain and much, much more!

Exclusions

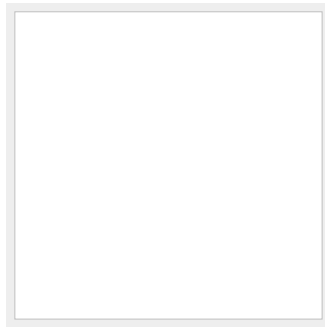

Owner's personal belongings.
