SPECIFICATIONS

Overview

This Azimut 85 Ultimate (ELIZEE) was originally delivered to the U.S. when new. She spent a few years cruising the Med. and then BVI's until arriving back in Florida in 2016. The current owners have completed a major refit inside and out including soft goods, mechanicals, electronics, and New Williams 395 Sport Jet Tender. (See Refit and Updates section) They cruised her up the eastern seaboard to the Great Lakes and are now ready to purchase a larger yacht. If you are looking for a clean 80-90' Flybridge Motor Yacht, put this on on your list to see.

ELIZEE arrived Miami, FL for the winter. Please call for an appointment.
