## Manufacturer Provided Description

---

The 541 Sedan is the first Meridian to come standard with Zeus, one of the most technically advanced propulsion systems in the world. So at nearly 54 feet in length the 541, with its twin independently articulated Zeus pod drives, feels effortlessly maneuverable and intuitive to control. Impeccably designed living spaces and sleeping

quarters create a welcoming, relaxed atmosphere onboard. The three-stateroom, two-head layout provides berths for six passengers, while a convertible dinette can accommodate two more. The gracious comforts inside are mirrored in the 541's exterior spaces, as well: The aft cockpit blends seamlessly with the adjacent galley, while the flybridge with optional full-cover hardtop can provide seating, refreshments and entertainment for the whole crew.

### **Key Features:**

- Three-stateroom, two-head configuration
- Twin 600-hp Zeus propulsion standard; first bridge boat to offer optional twin 715-hp QSM-11 propulsion with Zeus
- Granite and solid-surface countertops throughout interior
- Gracious full-beam master stateroom with sitting area
- Master stateroom features private head en suite
- Second head features both day access and private access from forward stateroom
- Optional lower helm with swivel double helm seat and available dual GPS chartplotter layout
- Open main living area with hallmark 360-degree view
- Central gourmet galley features drop-down electro-hydraulic window to connect indoor and outdoor spaces
- Optional bridge hardtop with multiple enclosure options
- Extended hydraulic platform option for dinghy or PWC
- Massive utility room with proprietary battery management center and alternate configuration as crew's quarters
- Extended bridge overhang offers weather-controlled space; adding canvas extends livable, climate-controlled areas
