# DETAILED INFORMATION

---

## Broker Remarks

---

This beautiful convertible has enjoyed local Florida and Bahamas use since new. She has always been serviced by Viking and the authorized MTU dealer. The 2000 hour service was just completed and there is extended coverage until April 21, 2019.

## Vessel Walkthrough

---

The layout of the 76 Viking Convertible is the envy of the industry. The main deck features a salon/galley/dinette living area with a convenient day head aft to port. The galley is highlighted by an island counter which provides access from both sides. Concealed in the island are four SUB-ZERO refrigerator drawers and two SUB-ZERO freezer drawers. Other galley features include four-burner stove, microwave convection oven, trash compactor, dishwasher, disposal and abundance of door, drawer, and sliding storage. A handy pantry, just forward to port, houses small appliances and provides additional storage. Opposite the galley is the very comfortable and functional dinette. A large L-shaped lounge is aft to starboard in the salon. The day head is aft to port and the entertainment center is concealed with a hi-lo TV. A large icemaker is also provided.

Below decks, the full beam master stateroom with ensuite facilities is amidships. Guest accommodations are provided in the forward guest queen berth stateroom, with ensuite facility. To port are two guest staterooms with a shared head. To starboard is the fifth stateroom, usually assigned to crew, with private head. There are televisions in each stateroom. The laundry center is accessed from the companionway as well as the central vacuum system.
