## Overview

---

**Price just reduced by \$50,000 Now \$605,000**

This Cantius 48, a **FRESHWATER** two-owners US-Canadian Cruisers Yachts, offers the best cabin/coupe design with unique features found in larger motor yachts. The aft deck has a U-shape seating area with table, ample storage under the aft seating, dual side gates with entry to the aft deck, a grill, (2) refrigerators, a retractable sun shade and access to a stand-up engine room. Entering into the salon, you will find a U-shaped dinette with table, bar with sink, excellent visibility and a professionally organized helm with 360 degree visibility. Down a center stairway is a lower salon and two staterooms. The galley is also located on this level along with the guest stateroom and guest head. Mid-ship is a full beam master with a center-line berth, in suite head, washer/dryer and an abundance of natural light.

This Cantius 48 is powered by twin Volvo 435hp IPS 600 pod drives, with low hours, delivering a cruise speed of 25 kts with a fuel burn of approximately 30 gallons per hour. The quiet IPS system delivers a comfortable 82 DBA sound level which is one of the lowest in the industry. This Cantius 48 has bow and stern thrusters for better maneuverability in locks, underwater lights, and mirror effect film windows side and back. **Will consider Regal 33 XO in trade. OVERVIEW Salon**
