Vessel Walkthrough

"SEAS THE MOMENT" features the best four stateroom, plus aft crew arrangement of any yacht ever built. The 85 Mariner's success in the marketplace is also attributed to a large Aft Deck and Flybridge, walk-around access, and incredible sea-keeping ability. The Salon features a comfortable L-shaped settee with chairs, state-of-the-art entertainment, and a large formal Dining area forward and excellent visibility out. The Pilothouse arrangement places both upper & lower helm stations on centerline for exceptional visibility. Port and starboard Pilothouse doors ensure easy access to side decks.
