## Overview

---

This 65' Pacific Mariner is ready for cruising the islands.

The Yacht is really 70 feet as it had a custom extension added in Spain. It is much more than a typical swim platform and is complete with storage locker and two access hatches.

Summer Wind has a hydraulic single extension passerelle mounted on the transom that is controlled at cockpit or by remote control; a port or starboard attachable boarding ramp; and two swimming ladders, one for port/starboard midship access and one at the transom.

Summer Wind also stands apart from other Pacific Mariners due to its custom Salon full teak ceiling and custom Day Head so guests do not invade your "space" while entertaining.

The flow from the Salon to the Galley/Dining/Lower Helm area is super for entertaining.

Two beautiful custom wood tables. The table in the Salon has a motor to lower or higher it. The other table is located between the Galley and the Lower Helm Station so the cruising experience is for all to enjoy.
