SPECIFICATIONS

Overview

GREAT CONDITION, OVERHAULED DIESELS.

Sell! PRICE DROPPED \$50,000 (\$175,000)

The sleek styling of the Sea Ray 550 Sedan Bridge is further evidence of the "Europeanization" of American motor yacht design. Fortunately, her beauty is more than skin deep and the 550 compares well in both comfort and build quality with her high-end competitors.

Note: the port engine has 39 hours and starboard engine has 28 hours since overhaul and 1626 hours since new. Briar Patch has been well maintained and updated by her owner and has the service records detailing her history. This 1995 Sea Ray is in good condition

DETAILED INFORMATION

Manufacture Provided Description

The Sea Ray 550 Sedan Bridge combines the performance and advanced styling of a Sedan Bridge with the spacious and elegant liveboard accommodations of a 55-foot luxury yacht. The 22-foot flybridge offers seating for eight. The large bridge features an advanced bridge control station, snap-in carpet, an adjustable captain's chair, and two companion helm seats. Additional seating is found on the bridge bench seat, near the bridge entertainment center, which is complete with an ice maker and stereo. From the flybridge, the fiberglass companionway provides wide, non-skid textured steps to the cockpit area. Through-bolted stainless steel grab rails ensure an extra measure of safety. In the cockpit, guests can relax in upholstered aft corner banquettes, separated by a center transom door that leads out to the swim platform. From the cockpit, a large glass sliding door leads to the cabin featuring 66-ounce Masland carpeting. To port is the entertainment center and a comfortable easy chair. To starboard, a 10-foot wraparound sofa provides seating for several passengers. The sofa will also serve as comfortable sleeping accommodations for two adults. The galley comes complete with a three-burner cooktop, microwave - convection oven, refrigerator - freezer, and lots of counter space. To port, meals are served amid a spectacular view. Forward and down three carpeted steps, lie the staterooms. The spacious master suite includes a full-size island bed with custom coordinated linens, and plentiful storage underneath. Multiple storage lockers and shelves, a large mirrored vanity with storage drawers, and a private head with vanity and shower complete the stateroom. Directly above the bed, a screened translucent deck hatch provides natural light and fresh air, as desired. To port, the crew quarters provide comfortable sleeping for two. The berth also includes a washer - dryer, convenient to both upper and lower decks, as is the central vacuum system. The guest head is also portside, and includes a vanity and shower. In the starboard stateroom, guests enjoy a full-size berth with storage lockers underneath and overhead, a convenient vanity and cedar-lined hanging locker.

Engines

(1) *The port engine has 39 hours since overhaul*
