## Overview

---

**2000 Carver 505 Aft Cabin Motor Yacht, extended to 56' and fully customized. None like her, a one of a kind vessel. Pier One Yacht Sales sold this vessel to a couple from Mid-West 3 months ago to sail the Great Loop in style. New owners spent well over \$50K in upgrades to get this vessel ready for the 6,600 miles journey, to complete the Great Loop. The following list identified some of the improvements:**

**Remove and replaced the existing Raymarine E120 on the lower station and E80 at the upper station. Replaced with the Raymarine AXIOM 12 an 9.**

**Replaced the existing Radar with a digital Raymarine 4KW Magnum open Array Radar (72) miles range, featured Bird Mode, Beam Sharpening, Target Tracking, True Trails and Real Time heading updates.**

**Replaced the GPS Antenna and upgraded a new N2K Antenna.**

**Replaced the older Sirius Weather module and installed a new Raymarine SR150 Module.**

**Installed two new Direct TV receiver units.**

**Installed a new Flat Screen TV in the Master Stateroom and Aft covered sitting area.**

**New bottom paint, Props tuned and balanced, new Zincs, reconditioned all (7) A/C units and Sanitation System.**

**Completed the 1000 hour service and replaced hoses and impellers.**

**This Yacht is a must see. If you are in the market for a luxurious one of a kind Great Loop ready Yacht under 60', please call me.**

**She is powered by twin Volvo TAMD74P-A Diesels, less than 934 hours of usage. The 21KW Kohler Gen/Set has 997 hours.**

**Unfortunately, due to serious health issues, this owner will not be able to complete their dream trip and decided to sell.**
