SPECIFICATIONS

Overview

Motor yacht Aicon 75 in excellent condition is now on water and ready for sale in Croatia. The yacht is well-equipped technically, with both bow and stern thrusters and a wide navigation package. The third control station is located on cockpit for maximized comfort of maneuvering. This yacht belongs to its second owner, who thoroughly performed the interior refit of salon, galley, master cabin in order to add new features and comfort to the design. The swimming platform was replaced with a bigger and stronger one, capable to lift up to 800 kilos, and the tender is kept on the platform. The dining area on flybridge has been replanned – the seats and table were replaced by the new ones and now there is one teak table for up to 8 persons. A regular electric grill on flybridge has been replaced with Weber gas grill. Almost all electric installations have been changed in the last 2 years, including the galley appliances and cameras for easy yacht surveying. The yacht is carefully looked after, all the documents on regular technical services on board prove the excellent condition.

Additional options:

- Electric bow thruster
- Stern thruster
- Generators : 2x Kohler 17 kw, 23 kw, 550 hours each
