---

## Engine Information

---

**Engines:** 2

**Manufacturer:** Mercruiser

**Model:** 5.0

**Engine Type:** Inboard

**Fuel Type:** Gas

---

## DETAILED INFORMATION

---

### Broker Comments

---

The Larson 310 Cabrio has a solid fiberglass hull. The Cabrio's open interior is dominated by a curved lounge that extends from the head compartment all the way around to the galley. A dinette table is to port, and the midcabin is tucked behind the companionway steps, which leaves it open to the salon. Privacy curtains separate the sleeping areas from the main cabin, and the head contains a stall shower on deck. On deck, the cockpit has a U shaped settee aft as well as a wet bar, and the drivers side of the double helm seat has a drop down bolster for standup driving. A large transom locker stores fenders, and dock lines, along with a roomy swim platform, with a transom shower. This very clean Larson 310 Cabrio has only 353 hours on her engines, and 80 hours on her 5 KW Kohler generator. She is dry rack stored, and has been maintained to the highest standards. The interior is like new. Seller is a very serious seller. Bring Offers!

### Hull and Deck Features

---
