SPECIFICATIONS

Overview

A classic 1986, 48' Chris Craft Corinthian Motor Yacht in near Bristol condition, built in the USA. An ideal extended cruiser, looper or comfortable live aboard. She features a huge sundeck with a hardtop and spacious flybridge with complete canvas enclosure and a custom designed interior. This boat has only been in saltwater since 2014. An impeccably maintained motor yacht by an experienced, knowledgeable owner that is ready to move aboard and sail away. The Nick Jackson custom made electric dingy lift makes it a breeze to launch and retrieve your dingy in any weather. Powered by the low maintenance original twin 454 C.I. Crusader engines totaling 700 HP - this vessel is capable of cruising at 15 knots with a top end of 20 knots. However, if you are not in a hurry she will make 7 knots at 1400 fuel efficient RPM's. This yacht is very stable with a dry and comfortable ride when in the slow trawler mode and with a planing hull you have a yacht capable of getting you out of bad weather quickly.
