Overview

The Cruisers 4270 is a big, full-bodied express with a luxurious two-stateroom interior and cockpit seating for a small crowd. Heavily built on a fully cored hull with a wide beam, the sleek profile of the 4270 is accented by her long foredeck, reverse radar arch, and an extended swim platform. The expansive interior contains a unique mid-cabin suite with twin single berths (convertible into a queen-size bed) and a private standup head compartment—a notable departure from the cramped mid-cabin layouts found in most express cruisers. The U-shaped galley in this yacht is huge with wood flooring and plenty of counter and storage space. Topside, the cockpit includes removable wraparound seating, wet bar with refrigerator and icemaker, and a walk-through windshield for easy foredeck access. Additional features include a large helm console with space for flush-mounted electronics, a gas-assist engine room hatch in the cockpit, and a concealed, remote-controlled anchor windlass. A well-finished boat throughout. If you are in the market for a spacious coastal cruiser, weekender, or a trip with the family to the Bahamas this well cared for 4270 is it! Do not miss out this rare opportunity. Call today!
