ПОДРОБНОЕ ОПИСАНИЕ

Vessel Description

This 82 is a highly customized enclosed bridge Viking convertible. Her original owner came from a yacht background and has successfully incorporated owner/family accommodations with an excellent private comfortable captain and crew cabins.

This 82 is hull #19 of this successful series, **with Extended Engine Warranties until 9-24-21 or 4000 hours**. No need to look any further if you desire the best in condition equipment, and are ready to go fishing or cruising!

Vessel Walkthrough

Access from port or starboard cockpit up to mezzanine observation deck with built-in seating, and removable table with recessed drink holders. Air conditioning ducts above seating in cabin overhead for shade.

Access to the main salon is granted via an electric sliding door. Upon entrance, one will notice the high gloss teak paneling and joiner work. To starboard is the day head and staircase access to the enclosed bridge, storage cabinet and 55" Hi-Lo TV. To port is an L-shaped sofa with storage below and Hi-lo table. Forward towards the galley is an island with (3) bar stools. The dinette is to port. Forward of galley to port is the pantry area. To starboard is the walk-in tackle room.

The master stateroom is forward with athwartship king berth, walk-in closet and ensuite head. To port is an L-berth arrangement with ensuite head, to starboard is twin berth stateroom with ensuite head. Down and aft to port is the crew galley, settee bunks convert to upper/lower berth and fold down dining table in addition to an ensuite head with stall shower. To starboard is the Captain's cabin with twin berths and Pullman berth to create a third bunk. Access to the engine room is through a watertight door with viewing porthole, an ensuite head with stall shower.

Back to the salon and up the staircase to the enclosed bridge. To starboard is a wet bar with refrigerator drawers, Hi-lo 40" TV, port and starboard raised observation seats, electronics console, Stidd helm seat. Aft to port is raised L-shaped sofa with cocktail table. Aft to aft bridge control station with custom teak decking, access ladder to cockpit and tower ladder, and built-in settee.
