SPECIFICATIONS

Overview

ELSA was conceived to be fully capable to do 40 knots, with 3' maximum draft and ease of operation. ELSA has met those expectations. Ray Hunt III personally supervised the construction of this high quality custom yacht and AOY managing as well. Elsa has had Awlgrip AllCraft 2000 Flag Blue hull + boot stripes paint September 2018. Bottom was also stripped, barrier coats and Pettit Trinidad Pro bottom paint with Pettit Vivid Black on water jets. Last waxed Nov. 2018. Upon delivery sea trials on the Hudson River off lower Manhattan, the very experienced owner took ELSA to 40 knots and advised to "hold on" and he turned hard to port and she stuck in the water throughout the turn. Hinckley now owns Hunt Yachts and has quoted \$55,000 for adding generator + Air. ELSA is a 10 as she sits in Ft. Lauderdale, available for your inspection.

DETAILED INFORMATION

INTRODUCTION

ELSA was conceived to be fully capable to do 40 knots, with 3' maximum draft and ease of operation. ELSA has met those expectations. Ray Hunt III personally supervised the construction of this high quality custom yacht and AOY managing as well. Elsa has had Awlgrip AwlCraft 2000 Flag Blue hull + boot stripes paint September 2018. Bottom was also stripped, barrier coats and Pettit Trinidad Pro bottom paint with Pettit Vivid Black on water jets. Last waxed Nov. 2018. Upon delivery sea trials on the Hudson River off lower Manhattan, the very experienced owner took ELSA to 40 knots and advised to "hold on" and he turned hard to port and she stuck in the water throughout the turn. Hinckley now owns Hunt Yachts and has quoted \$55,000 for adding generator + Air. ELSA is a 10 as she sits in Ft. Lauderdale, available for your inspection.

Hull Construction

- Hull is biaxial E-glass fabrics with foam cored bottom and topsides. Vacuum bag setup with Vinylyester osmosis barrier and foam cored E-glass stringers
- Deck: E-glass fabric with foam cored laminate and molded non-skid stainless steel half-round on fiberglass molded rub rail
- Swim platform: Custom teak with S.S. swim ladder and S.S. handle on transom
- Awlcraft 2000 hull, October 2018: Flag blue with red boot stripe
- Bottom stripped, barrier coated and painted with Pettit Trinidad Pro
