SPECIFICATIONS

Overview

With a wide 14' 6" beam, the accommodations on the Tiara Express 4000 are spacious for a 40 footer. A huge, 11" salon lounge will seat a small crowd around the extendable table, and include a central vacuum cleaner system. The open galley includes a refrigerator, separate freezer, range convention microwave, coffee maker, and tremendous storage. Both staterooms define Taira luxury and the mid cabin has a full 7" of headroom and a small head hidden beneath a cushioned seat. 1998 Tiara 4000 Express, lightly used, professionally maintained and in exceptional condition!

- Twin 435 HP 3208TA Caterpillar Diesels
- Cruise comfortably in the mid 20 knots with a top speed in the high 20s.
- Teak & Holly cabin sole

Accommodations

The Tiara 4000 Express has two staterooms, two heads and is spacious and well designed. Her Master Stateroom forward features a centerline queen size berth and an ensuite head with shower stall. The private Guest Stateroom aft, features a full size berth and ensuite head with vanity. Full standing 7'4 headroom, LED vanity lighting and ample storage provide a very comfortable guest cabin.

A teak & holly interior creates an open feel with a huge salon that features a large 11' starboard couch with comfortable Tiara style upholstery and double drop leaf table that will accommodate 6 adults. The high/low table converts to a double berth. The four large portholes and overhead hatch provides plenty of natural light and a custom Bose Lifestyle Stereo system with Surround sound and Flat Screen TV compliments this living area. Sections of the solid tongue and groove Teak and Holly sole provide both storage space and house a central vacuum cleaner system.

The fully equipped galley includes a refrigerator, separate freezer, Corian countertops, 3 Burner electric stove, Coffee Maker, Convection Microwave and large Stainless Steel Sink with plenty of storage above and below the teak cabinetry.

Forward & Aft salon Marine Air Reverse Cycle Air Conditioning systems provides comfort year round. (Complete 2018 refurbishment includes new raw water hose & raw water pump and new system control electronics)
