Overview

2018 35' Grand Banks TT35 for sale. The TT stands for Trailerable Trawler. Although not a trawler in the true sense, SPIRIT SONG is a unique vessel that will appeal to the adventurous couple that desires long distance cruising. With her shallow draft, outboard power, bow thruster, solar power, ability to tow and comfortable accommodations, the owner can truly go anywhere. This particular boat was built to make the "great loop" trip as can be seen when you step aboard and see the framed "Great Loop Map". Because of her solar power, she is completely self sufficient away from the dock. Medical reasons necessitate the sale of this "turnkey" vessel. Hurry! You don't want this one to slip through your fingers!
