## Vessel Information

---

CHIP is a highly customized 2007 Lazzara 84' Motor Yacht. CHIP recently had engines rebuilt and a 3 year warranty is in place on the CAT engines (paperwork available upon request). Chip has a 5 stateroom layout with an additional crew quarter located aft through the transom. CHIP is a must see with her custom master head layout unlike any other Lazzara 84' built. Chip has integrated the jetski pod on the starboard side to store the jetski which the Lazzara models are known for. CHIP is entirely painted and her finish is excellent!
