SPECIFICATIONS

Overview

This 2006 EndeavourCat TrawlerCat 40 has a proven history of comfortable and safe extended cruising in the Bahamas; and has been maintained and upgraded by a very knowledgeable and experienced owner; making it the best equipped and cleanest one on the market. You won't believe the spaciousness of this unique Flybridge layout with a Pilothouse and huge enclosed Mid-Deck with new Eisenglass Windows in 2016, two staterooms, two large heads with separate showers (one with a tub), a well-equipped galley with a Convection Oven and Propane Stove, spacious salon area, plus large cockpit and wide side decks and foredeck; making line handling for docking a pleasure.

Knot for Sailing is equipped with:

- Twin Yanmar 315hp Diesels; clean and efficient & only 1,400 hrs.,
- 9 kw Northern Lights Generator in a sound shield with only 525 hours,
- 500 Gallons per Day RCI AquaMizer Watermaker (2015),
- Raymarine E-Series color Chartplotters, Radar, Autopilot, Sat-TV Antenna & Sat-Phone ++
- Two CruiseAir 16,000 BTU A/C systems
- 14' Endeavour Tender with 15hp Yamaha Outboard; rebuilt in 2018.

If you are looking for a turn-key 40' Power Cat; that is ready to go extended cruising today; pick up the phone and call to schedule a personal inspection. You will not be disappointed in the condition!

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

Knot 4 Sail is a 2 Stateroom, 2-Head layout of this 2006 Endeavour 40 Trawler Cat with spacious aft Flybridge Eisenglass-window-enclosed Deck, and features a bright and open Interior Salon/Galley with varnished Cherry cabinetry and Amtico teak & holley flooring. The Salon features free-standing chairs, an L-Shaped sofa along the Port and Aft walls, as well as a dual drop-leaf teak dining table.

This Trawler Cat has five distinct levels and a unique layout that provides privacy as well as 2 optional areas for dining; the Main Salon and the Flybridge Aft Deck. Access to the Starboard Engine room is via a deck hatch under the Galley Counter after the removable island storage cart is rolled out of the way, and the Port Engine Room is accessed via a floor hatch aft of the electrical panel. Each engine room has a removable ladder for easy access, as well as additional accesses from the Aft Deck/Cockpit to the aft sections of each engine room. Each area has incredible large (2'x3' or larger) deep floor hatches that contain mechanical systems and/or dry clean storage areas that will easily accommodate large Rubbermaid-type storage containers

Your choice of 3 entries provides excellent access as well as ensures privacy for guests. The Primary entry into the full-beam Salon/Galley is via a large Glass door from the Cockpit/Aft Deck. Optionally, there are Port & Starboard side deck doors that enter the full-beam Pilothouse, which is located forward of the Galley and up three steps. The Pilothouse Helm with two Bucket Seats is centered and has clear sighting of the stern and bow, as well as each side through large windows and the side doors.

Forward of the Pilothouse is the Master SR, with a Double Berth and banks of Cherry Cabinetry and drawers lining the hulls on each side. The Master Head is ensuite with a solid Cherry door with a louvered upper section provides privacy for the Vanity, Sink, Quiet Flush Electric toilet, as well as the stall shower which is a step-down, with an integrated bath tub.

Down several steps to Port, is the Guest SR Aft, with a Double Bed, ample Cherry Cabinetry Storage, and ensuite Head with vanity, sink, Quiet Flush Electric Toilet, and a separate stall shower forward.

The Flybridge has a molded fiberglass hard top, a like-new Eisenglass U-Zip vinyl window Full Enclosure with a spacious aft deck behind the Helm seats that features free-standing deck furniture and folding, multi-leaf Varnished Teak Table that will accommodate 4 or more crew. The Captain has two very well equipped helm stations with full engine instrumentation and navigation electronics to chose from, depending on the weather and required visibility.
